INTRODUCTION

The 2003 ISDA Credit Derivatives Definitions (the "Definitions") are intended for use in confirmations of individual credit derivative transactions ("Confirmations") governed by agreements such as the 1992 ISDA Master Agreements or the 2002 ISDA Master Agreement published by the International Swaps and Derivatives Association, Inc. ("ISDA"). Copies of the ISDA Master Agreements are available from the executive offices of ISDA or from the ISDA website (www.isda.org). A sample form of Confirmation for use with the Definitions is attached as Exhibit A to these Definitions.

The Definitions primarily expand and revise the 1999 ISDA Credit Derivatives Definitions and the Supplements to them. The Definitions provide the basic framework for the documentation of certain privately negotiated credit derivative transactions. For ease of use, certain sections of the Definitions provide fallback provisions that will apply to a transaction if the parties do not specify otherwise in the Confirmation.

As in the case of other product-specific definitions published by ISDA, parties using the Definitions to document privately negotiated credit derivative transactions may adapt or supplement the standard provisions set out in these Definitions in accordance with the specific economic terms agreed between the parties to the relevant transaction.

The Definitions are intended to operate on a free-standing basis and therefore, for most transactions, there is no need to incorporate any other ISDA definitions booklets (such as the 2000 ISDA Definitions) into the Confirmation of a Credit Derivative Transaction.

ISDA has provided these Definitions to assist the smooth and efficient functioning of the credit derivatives market by providing a common set of terms for parties to use in preparing Confirmations for privately negotiated credit derivative transactions. *However, the precise documentation of each individual transaction remains the responsibility of the parties concerned. ISDA assumes no responsibility for any use to which these Definitions may be put, including, without limitation, any use of these Definitions in connection with any privately negotiated credit derivative transaction. Each party to a transaction evidenced by a Confirmation referring to or incorporating these Definitions must satisfy itself that the Definitions are appropriate for the transaction, have been properly used and/or adapted in the Confirmation for the transaction and that the Confirmation has generally been properly drafted, in each case, to reflect the commercial intentions of the parties. It should be noted that Confirmations that incorporate the 1999 ISDA Credit Derivatives Definitions shall continue to be governed by the 1999 ISDA Credit Derivatives Definitions. By using these Definitions to document a Credit Derivative Transaction, no inference shall be made as to the meaning of any provision in the 1999 ISDA Credit Derivatives Definitions.*

This Introduction is not part of the Definitions and is not offered as an interpretation of the Definitions. The Notices referred to in the Definitions are not required to be in the form set forth in the Exhibits.

2003 ISDA CREDIT DERIVATIVES DEFINITIONS

Any or all of the following definitions and provisions may be incorporated into a document by wording in the document indicating that, or the extent to which, the document is subject to the 2003 ISDA Credit Derivatives Definitions (as published by the International Swaps and Derivatives Association, Inc. ("ISDA")) (the "Definitions"). All definitions and provisions so incorporated in a document will be applicable to that document unless otherwise provided in that document, and all terms defined in these Definitions and used in any definition or provision that is incorporated by reference in a document will have the respective meanings set forth in these Definitions unless otherwise provided in that document. The definitions of Currencies shall have the meanings given to those terms in the 2000 ISDA Definitions. Any term used in a document will, when combined with the name of a party, have meaning in respect of the named party only.

ARTICLE I

CERTAIN GENERAL DEFINITIONS

Section 1.1. Credit Derivative Transaction. "Credit Derivative Transaction" means any transaction that is identified in the related Confirmation as a Credit Derivative Transaction or any transaction that incorporates these Definitions.

Section 1.2. Confirmation. "Confirmation" means, with respect to a Credit Derivative Transaction, one or more documents and other confirming evidence exchanged between the parties or otherwise effective which, taken together, confirm or evidence all of the terms of a Credit Derivative Transaction.

Section 1.3. Term. "Term" means the period commencing on and including the Effective Date of a Credit Derivative Transaction and ending on and including the Termination Date of such Credit Derivative Transaction.

Section 1.4. Effective Date. "Effective Date" means the date specified as such in the related Confirmation, which date is the first day of the Term of the Credit Derivative Transaction. The Effective Date shall not be subject to adjustment in accordance with any Business Day Convention unless the parties specify in a Confirmation that the Effective Date will be adjusted in accordance with a specified Business Day Convention.

Section 1.5. Trade Date. "Trade Date" means the date on which the parties enter into the Credit Derivative Transaction, as specified in the related Confirmation.

Section 1.6. Scheduled Termination Date. "Scheduled Termination Date" means the date specified as such in the related Confirmation. The Scheduled Termination Date shall not be subject to adjustment in accordance with any Business Day Convention unless the parties specify in a Confirmation that the Scheduled Termination Date will be adjusted in accordance with a specified Business Day Convention.

Section 1.7. Termination Date. "Termination Date" means either (a) the date as determined in accordance with Section 1.11 (Grace Period Extension Date), 3.4 (Notice of Physical Settlement), 4.6(b) (Repudiation/Moratorium Evaluation Date), 7.2 (Cash Settlement Date), 8.4 (Physical Settlement Date), 9.2(c)(ii) (Additional Representations and Agreements for Physical Settlement), 9.3 (Partial Cash Settlement Due to Impossibility or Illegality), 9.8 (Partial Cash Settlement Terms) or 12.3 (Auction Settlement Date) (as relevant) or (b) if none of such Sections is relevant, the Scheduled Termination Date.

Section 1.8. Event Determination Date.

(a) "Event Determination Date" means, with respect to a Credit Event:

(i) subject to Section 1.8(a)(ii), if neither a DC Credit Event Announcement nor a DC No Credit Event Announcement has occurred, the first date on which both the Credit Event Notice and, if Notice of Publicly Available Information is specified as a Condition to Settlement, the Notice of Publicly Available Information are delivered by a Notifying Party to the other party and are effective during either:

(A) the Notice Delivery Period; or

(B) the period (I) from, and including, the date on which ISDA publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine the matters described in Sections 1.24(a) and (b) (II) to, and including, the date that is fourteen calendar days thereafter (provided that the relevant Credit Event Resolution Request Date occurred on or prior to the end of the last day of the Notice Delivery Period (including prior to the Trade Date)); or

(ii) notwithstanding Section 1.8(a)(i), if a DC Credit Event Announcement has occurred, either:

(A) the Credit Event Resolution Request Date, if either:

(I) (1) "Buyer or Seller" is specified in the related Confirmation as Notifying Parties or neither party is specified in the related Confirmation as the Notifying Party;

(2) the relevant Credit Event is not a Restructuring; and

(3) either:

(y) if "Auction Settlement" is specified as the Settlement Method in the related Confirmation, the Trade Date occurs on or prior to the Auction Final Price Determination Date, the Auction Cancellation Date, or the date that is 21 calendar days following the No Auction Announcement Date, if any, as applicable; or

(z) if "Auction Settlement" is not specified as the Settlement Method in the related Confirmation, the Trade Date occurs on or prior to the relevant DC Credit Event Announcement; or

(II) (1) either:

(y) "Buyer" or "Seller" is specified in the related Confirmation as the only Notifying Party and "Auction Settlement" is specified as the Settlement Method in the related Confirmation; or

(z) the relevant Credit Event is a Restructuring; and

(2) the Credit Event Notice is delivered by a Notifying Party to the other party and is effective on or prior to the Exercise Cut-off Date; or

(B) the first date on which the Credit Event Notice is delivered by a Notifying Party to the other party and is effective during (I) the Notice Delivery Period or (II) the period from, and including, the date on which ISDA publicly announces the occurrence of the relevant DC Credit Event Announcement to, and including, the date that is fourteen calendar days thereafter (provided that the relevant Credit Event Resolution Request Date occurred on or prior to the end of the last day of the Notice Delivery Period (including prior to the Trade Date)), if either:

(I) (1) "Buyer or Seller" is specified in the related Confirmation as Notifying Parties or neither party is specified in the related Confirmation as the Notifying Party;

(2) the relevant Credit Event is not a Restructuring;

(3) Auction Settlement is not specified as the Settlement Method in the related Confirmation; and

(4) the Trade Date occurs following the relevant DC Credit Event Announcement; or

(II) (1) "Buyer" or "Seller" is specified in the related Confirmation as the only Notifying Party; and

(2) either:

(y) "Auction Settlement" is not specified as the Settlement Method in the related Confirmation; or

(z) if "Auction Settlement" is specified as the Settlement Method in the related Confirmation, the Credit Event Notice is delivered by a Notifying Party to the other party and is effective on a date that is later than the relevant Exercise Cut-off Date,

provided that, in the case of Section 1.8(a)(ii):

(X) no Physical Settlement Date, if applicable, or Termination Date has occurred on or prior to the date on which the DC Credit Event Announcement occurs;

(Y) if any Valuation Date or Delivery Date, as applicable, has occurred as of the date on which the DC Credit Event Announcement occurs, an Event Determination Date shall be deemed to have occurred only with respect to the portion of the Floating Rate Payer Calculation Amount, if any, with respect to which no Valuation Date or Delivery Date, as applicable, has occurred; and

(Z) no Credit Event Notice specifying a Restructuring as the only Credit Event has previously been delivered by a Notifying Party to the other party, (aa) unless the Restructuring specified in such Credit Event Notice is also the subject of the notice to ISDA resulting in the occurrence of the Credit Event Resolution Request Date or (bb) unless, and to the extent that, the Exercise Amount specified in any such Credit Event Notice was less than the then outstanding Floating Rate Payer Calculation Amount.

(b) If, pursuant to Section 1.8(a), different Event Determination Dates have been determined with respect to different portions of the outstanding Floating Rate Payer Calculation Amount, the rights and obligations of the parties shall, with effect from each such Event Determination Date, be construed as if the parties had entered into a separate Credit Derivative Transaction with respect to each such portion.

(c) Subject to Section 9.1(c)(iii)(B)(III), no Event Determination Date will occur, and any Event Determination Date previously determined with respect to an event shall be deemed not to have occurred, if, or to the extent that, prior to the Auction Final Price Determination Date, a Valuation Date, the Physical Settlement Date (or, if earlier, a Delivery Date), or the Termination Date, as applicable, a DC No Credit Event Announcement Date occurs with respect to the relevant Reference Entity or Obligation thereof.

(d) If, in accordance with the provisions above, (i) following the determination of an Event Determination Date, such Event Determination Date is deemed (A) to have occurred on a date that is different from the date that was originally determined to be the Event Determination Date or (B) not to have occurred or (ii) an Event Determination Date is deemed to have occurred prior to a preceding Fixed Rate Payer Payment Date, the Calculation Agent will determine (I) the adjustment payment, if any, that is payable to reflect any change that may be necessary to the amounts previously calculated and/or paid under Article V or the related Confirmation, (II) the date on which such adjustment payment is payable, if any, and (III) the party to the relevant Credit Derivative Transaction that is obliged to make such adjustment payment, if any. For the avoidance of doubt, no accruals of interest shall be taken into account when calculating any such adjustment payment.

Section 1.9. Notice Delivery Period. "Notice Delivery Period" means the period from and including the Trade Date to and including the date that is fourteen calendar days after the Extension Date.

Section 1.10. Requirements Regarding Notices. A notice delivered on or prior to 4:00 p.m. (Calculation Agent City time) on a Calculation Agent City Business Day will be effective on such Calculation Agent City Business Day. A notice delivered after 4:00 p.m. (Calculation Agent City time) on a Calculation Agent City Business Day will be deemed effective on the next following Calculation Agent City Business Day, regardless of the form in which it is delivered. For purposes of the two preceding sentences, a notice given by telephone will be deemed to have been delivered at the time the telephone conversation takes place. If the notice is delivered by telephone, a written confirmation will be executed and delivered confirming the substance of that notice within one Business Day of that notice. Failure to provide that written confirmation will not affect the effectiveness of that telephonic notice. If the Calculation Agent is not a party to the Credit Derivative Transaction, any notice required to be delivered by a party to the other party shall also be delivered to the Calculation Agent; provided, however, that failure to deliver a notice to the Calculation Agent in such circumstances shall not affect the effectiveness of the notice delivered to the other party.

Section 1.11. Grace Period Extension Date. "Grace Period Extension Date" means, if (a) Grace Period Extension is specified as applicable in the related Confirmation and (b) a Potential Failure to Pay occurs on or prior to the Scheduled Termination Date (determined by reference to Greenwich Mean Time (or, if the Transaction Type of the relevant Reference Entity is Japan Corporate or

Japan Sovereign (as such terms are defined in the 2005 Matrix Supplement to the 2003 ISDA Credit Derivatives Definitions as published by ISDA on March 7, 2005 (the "2005 Matrix Supplement")), Tokyo time)), the date that is the number of days in the Grace Period after the date of such Potential Failure to Pay. If Grace Period Extension is not specified as applicable in the related Confirmation, Grace Period Extension shall not apply to the relevant Credit Derivative Transaction. If (i) Grace Period Extension is specified as applicable in the related Confirmation, (ii) a Potential Failure to Pay occurs on or prior to the Scheduled Termination Date (determined by reference to Greenwich Mean Time (or, if the Transaction Type of the relevant Reference Entity is Japan Corporate or Japan Sovereign (as such terms are defined in the 2005 Matrix Supplement), Tokyo time)) and (iii) an Event Determination Date in respect of that Failure to Pay does not occur on or prior to the last day of the Notice Delivery Period (including prior to the Trade Date), the later of the Scheduled Termination Date and the Grace Period Extension Date will be the Termination Date (even if a Failure to Pay occurs after the Scheduled Termination Date).

Section 1.12. Grace Period; Grace Period Business Day.

(a) "Grace Period" means:

(i) subject to clauses (ii) and (iii), the applicable grace period with respect to payments under the relevant Obligation under the terms of such Obligation in effect as of the date as of which such Obligation is issued or incurred;

(ii) if Grace Period Extension is specified in the related Confirmation as applicable, a Potential Failure to Pay has occurred on or prior to the Scheduled Termination Date (determined by reference to Greenwich Mean Time (or, if the Transaction Type of the relevant Reference Entity is Japan Corporate or Japan Sovereign (as such terms are defined in the 2005 Matrix Supplement), Tokyo time)) and the applicable grace period cannot, by its terms, expire on or prior to the Scheduled Termination Date (determined by reference to Greenwich Mean Time (or, if the Transaction Type of the relevant Reference Entity is Japan Corporate or Japan Sovereign (as such terms are defined in the 2005 Matrix Supplement), Tokyo time)), the Grace Period shall be deemed to be the lesser of such grace period and the period specified as such in the related Confirmation or, if no period is specified, thirty calendar days; and

(iii) if, as of the date as of which an Obligation is issued or incurred, no grace period with respect to payments or a grace period with respect to payments of less than three Grace Period Business Days is applicable under the terms of such Obligation, a Grace Period of three Grace Period Business Days shall be deemed to apply to such Obligation; provided that, unless Grace Period Extension is specified as applicable in the related Confirmation, such deemed Grace Period shall expire no later than the Scheduled Termination Date.

(b) "Grace Period Business Day" means a day on which commercial banks and foreign exchange markets are generally open to settle payments in the place or places and on the days specified for that purpose in the relevant Obligation and if a place or places are not so specified, in the jurisdiction of the Obligation Currency.

Section 1.13. Potential Failure to Pay. "Potential Failure to Pay" means the failure by a Reference Entity to make, when and where due, any payments in an aggregate amount of not less than the Payment Requirement under one or more Obligations, without regard to any grace period or any conditions precedent to the commencement of any grace period applicable to such Obligations, in accordance with the terms of such Obligations at the time of such failure.

Section 1.14. Calculation Agent. "Calculation Agent" means the party to a Credit Derivative Transaction (or a third party) specified as such in the related Confirmation (or, if a person is not so specified, Seller) and who, if necessary (and in accordance with the terms specified in the related Confirmation), is responsible for: (a) determining a Successor or Successors and making any other determinations required to be made under Section 2.2; (b) determining whether (i) the aggregate amounts due under any Reference Obligation have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortization or prepayments), (ii) any Reference Obligation is an Underlying Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms, or (iii) for any reason other than as described in (i) or (ii) above and other than due to the existence or occurrence of a Credit Event, any Reference Obligation is no longer an obligation of a Reference Entity; (c) identifying and determining a Substitute Reference Obligation (after consultation with the parties); (d) in the event that multiple Credit Event Notices with respect to a Restructuring Credit Event are delivered pursuant to Section 3.9, making any modifications required pursuant to that Section (after consultation with the parties); (e) obtaining Quotations (and, if necessary, determining (after consultation with the parties) whether such Quotations shall include or exclude accrued but unpaid interest) and determining the Final Price in accordance with the applicable Valuation Method; (f) converting the Quotation Amount into the relevant Obligation Currency; (g) determining (after consultation with the parties) the Dealers (where none have been specified in the Confirmation) and substituting Dealers; (h) determining the Currency Rate; (i) determining (after consultation with the parties) the Representative Amount; (j) determining (after consultation with the parties) the number of Business Days in each Physical Settlement Period; (k) if "Include Accrued Interest" is specified in the related Confirmation with respect to Deliverable Obligations, determining (after consultation with the parties) accrued but unpaid interest; and (l) determining the Accreted Amount of any Accreting Obligation. Whenever the Calculation Agent is required to act or to exercise judgment, it will do so in good faith and in a commercially reasonable manner. The Calculation Agent shall, as soon as practicable after making any of the determinations specified in subclauses (a) through (l), notify the parties of such determination. ARTICLE II

GENERAL TERMS RELATING TO CREDIT DERIVATIVE TRANSACTIONS

Section 2.1. Reference Entity. "Reference Entity" means the entity or entities specified as such in the related Confirmation. Any Successor to a Reference Entity either (a) identified by the Calculation Agent pursuant to Section 2.2 on or following the Trade Date or (b) in respect of which ISDA publicly announces on or following the Trade Date that the relevant Credit Derivatives Determinations Committee has Resolved, in respect of a Succession Event Resolution Request Date, a Successor in accordance with the Rules shall, in each case, be the Reference Entity for the relevant Credit Derivative Transaction or a New Credit Derivative Transaction as determined pursuant to such Section 2.2.

Section 2.2. Provisions for Determining a Successor.

(a) "Successor" means in relation to a Reference Entity that is not a Sovereign, the entity or entities, if any, determined as set forth below:

(i) if one entity directly or indirectly succeeds to seventy-five per cent or more of the Relevant Obligations of the Reference Entity by way of a Succession Event, that entity will be the sole Successor for the entire Credit Derivative Transaction;

(ii) if only one entity directly or indirectly succeeds to more than twenty-five per cent (but less than seventy-five per cent) of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than twenty-five per cent of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than twenty-five per cent of the Relevant Obligations will be the sole Successor for the entire Credit Derivative Transaction;

(iii) if more than one entity each directly or indirectly succeeds to more than twenty-five per cent of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than twenty-five per cent of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than twenty-five per cent of the Relevant Obligations will each be a Successor for a New Credit Derivative Transaction determined in accordance with the provisions of Section 2.2(e);

(iv) if one or more entities each directly or indirectly succeeds to more than twenty-five per cent of the Relevant Obligations of the Reference Entity by way of a Succession Event, and more than twenty-five per cent of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a Successor for a New Credit Derivative Transaction determined in accordance with the provisions of Section 2.2(e);

(v) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty-five per cent of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity and the Credit Derivative Transaction will not be changed in any way as a result of the Succession Event; and

(vi) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty-five per cent of the Relevant Obligations of the Reference Entity and the Reference

Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations (or, if two or more entities succeed to an equal percentage of Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of obligations of the Reference Entity) will be the sole Successor.

The Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the legally effective date of the relevant Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth above have been met, or which entity qualifies under Section 2.2(a)(vi), as applicable; provided that the Calculation Agent will not make such determination if, at such time, either (A) ISDA has publicly announced that the conditions to convening a Credit Derivatives Determinations Committee to Resolve the matters described in Sections 2.2(a), (j)(i) and (j)(ii)(A) are satisfied in accordance with the Rules (until such time, if any, as ISDA subsequently publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine a Successor) or (B) ISDA has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that no event that constitutes a Succession Event for purposes of the relevant Credit Derivative Transaction has occurred. In calculating the percentages used to determine whether the relevant thresholds set forth above have been met, or which entity qualifies under Section 2.2(a)(vi), as applicable, the Calculation Agent shall use, with respect to each applicable Relevant Obligation included in such calculation, the amount of the liability with respect to such Relevant Obligation listed in the Best Available Information and shall notify the parties of such calculation.

(b) "Succession Event" means (i) with respect to a Reference Entity that is not a Sovereign, an event such as a merger, consolidation, amalgamation, transfer of assets or liabilities, demerger, spin-off or other similar event in which one entity succeeds to the obligations of another entity, whether by operation of law or pursuant to any agreement or (ii) with respect to a Reference Entity that is a Sovereign, an event such as an annexation, unification, secession, partition, dissolution, consolidation, reconstitution or other event that results in any direct or indirect successor(s) to such Reference Entity. Notwithstanding the foregoing, "Succession Event" shall not include an event (A) in which the holders of obligations of the Reference Entity exchange such obligations for the obligations of another entity, unless such exchange occurs in connection with a merger, consolidation, amalgamation, transfer of assets or liabilities, demerger, spin-off or other similar event or (B) with respect to which the legally effective date (or, in the case of a Reference Entity that is a Sovereign, the date of occurrence) has occurred prior to the Succession Event Backstop Date (determined by reference to Greenwich Mean Time (or, if the Transaction Type of the relevant Reference Entity is Japan Corporate or Japan Sovereign (as such terms are defined in the 2005 Matrix Supplement), Tokyo time)).

(c) For purposes of Section 2.2, "succeed" means, with respect to a Reference Entity and its Relevant Obligations (or, as applicable, obligations), that a party other than such Reference Entity (i) assumes or becomes liable for such Relevant Obligations (or, as applicable, obligations) whether by operation of law or pursuant to any agreement or (ii) issues Bonds that are exchanged for Relevant Obligations (or, as applicable, obligations), and in either case such Reference Entity is no longer an obligor (primarily or secondarily) or guarantor with respect to such Relevant Obligations (or, as applicable, obligations). The determinations required pursuant to Section 2.2(a) shall be made, in the case of an exchange offer, on the basis of the outstanding principal balance of Relevant Obligations tendered and accepted in the exchange and not on the basis of the outstanding principal balance of Bonds for which Relevant Obligations have been exchanged.

(d) Where:

(i) a Reference Obligation has been specified with respect to a Credit Derivative Transaction;

(ii) one or more Successors to the Reference Entity have been identified; and

(iii) any one or more such Successors have not assumed the Reference Obligation,

a Substitute Reference Obligation will be determined in accordance with the provisions of Section 2.30 with respect to each relevant Credit Derivative Transaction.

(e) Where, pursuant to Section 2.2(a)(iii) or (iv), more than one Successor has been identified, the relevant Credit Derivative Transaction will be divided into the same number of new Credit Derivative Transactions (the "New Credit Derivative Transactions") as there are Successors, with the following terms:

(i) each Successor will be the Reference Entity for the purposes of one of the New Credit Derivative Transactions;

(ii) in respect of each New Credit Derivative Transaction, the Fixed Rate Payer Calculation Amount, if any, the Floating Rate Payer Calculation Amount and, if there is not a Floating Rate Payer Calculation Amount, the Cash Settlement Amount will be the Fixed Rate Payer Calculation Amount, the Floating Rate Payer Calculation Amount and the Cash Settlement Amount, as applicable, of the original Credit Derivative Transaction divided by the number of Successors; and

(iii) all other terms and conditions of the original Credit Derivative Transaction will be replicated in each New Credit Derivative Transaction except to the extent that modification is required, as determined by the Calculation Agent (in consultation with the parties), to preserve the economic effects of the original Credit Derivative Transaction in the New Credit Derivative Transactions (considered in the aggregate).

(f) "Relevant Obligations" means the Obligations constituting Bonds and Loans of the Reference Entity outstanding immediately prior to the effective date of the Succession Event, excluding any debt obligations outstanding between the Reference Entity and any of its Affiliates, as determined by the Calculation Agent. The Calculation Agent will determine the entity which succeeds to such Relevant Obligations on the basis of the Best Available Information. If the date on which the Best Available Information becomes available or is filed precedes the legally effective date of the relevant Succession Event, any assumptions as to the allocation of obligations between or among entities contained in the Best Available Information will be deemed to have been fulfilled as of the legally effective date of the Succession Event, whether or not this is in fact the case.

(g) "Best Available Information" means:

(i) in the case of a Reference Entity which files information with its primary securities regulator or primary stock exchange that includes unconsolidated, pro forma financial information which assumes that the relevant Succession Event has occurred or which provides such information to its shareholders, creditors or other persons whose approval of the Succession Event is required, that unconsolidated, pro forma financial information and, if provided subsequently to the provision of unconsolidated, pro forma financial information but before the

Calculation Agent makes its determination for the purposes of this Section 2.2, other relevant information that is contained in any written communication provided by the Reference Entity to its primary securities regulator, primary stock exchange, shareholders, creditors or other persons whose approval of the Succession Event is required; or

(ii) in the case of a Reference Entity which does not file with its primary securities regulators or primary stock exchange, and which does not provide to shareholders, creditors or other persons whose approval of the Succession Event is required, the information contemplated in (i) above, the best publicly available information at the disposal of the Calculation Agent to allow it to make a determination for the purposes of this Section 2.2.

Information which is made available more than fourteen calendar days after the legally effective date of the Succession Event shall not constitute Best Available Information.

(h) With respect to a Sovereign Reference Entity, "Successor" means each entity which becomes a direct or indirect successor to such Reference Entity by way of Succession Event, irrespective of whether any such successor assumes any of the obligations of such Reference Entity.

The Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the date of the occurrence of the relevant Succession Event), and with effect from the date of the occurrence of the Succession Event, each Sovereign and/or entity, if any, that qualifies under this Section 2.2(h); provided that the Calculation Agent will not make such determination if, at such time, either (A) ISDA has publicly announced that the conditions to convening a Credit Derivatives Determinations Committee to Resolve the matters described in Sections 2.2(h), (j)(i) and (j)(ii)(B) are satisfied in accordance with the Rules (until such time, if any, as ISDA subsequently publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine a Successor) or (B) ISDA has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that no event that constitutes a Succession Event for purposes of the relevant Credit Derivative Transaction has occurred.

(i) "Succession Event Backstop Date" means (A) for purposes of any event that constitutes a Succession Event for purposes of the relevant Credit Derivative Transaction, as determined by DC Resolution, the date that is 90 calendar days prior to the Succession Event Resolution Request Date (determined by reference to Greenwich Mean Time (or, if the Transaction Type of the relevant Reference Entity is Japan Corporate or Japan Sovereign (as such terms are defined in the 2005 Matrix Supplement), Tokyo time)) or (B) otherwise, the date that is 90 calendar days prior to the earlier of (I) the date on which the Succession Event Notice is effective and (II) in circumstances where (1) the conditions to convening a Credit Derivatives Determinations Committee to Resolve the matters described in Sections 2.2(j)(i) and (j)(ii) are satisfied in accordance with the Rules, (2) the relevant Credit Derivatives Determinations Committee has Resolved not to determine such matters and (3) the Succession Event Notice is delivered by one party to the other party not more than fourteen calendar days after the day on which ISDA publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine such matters, the Succession Event Resolution Request Date. The Succession Event Backstop Date shall not be subject to adjustment in accordance with any Business Day Convention unless the parties specify in a Confirmation that the Succession Event Backstop Date will be adjusted in accordance with a specified Business Day Convention.

(j) "Succession Event Resolution Request Date" means, with respect to a notice to ISDA, delivered in accordance with the Rules, requesting that a Credit Derivatives Determinations Committee be convened to Resolve:

(i) whether an event that constitutes a Succession Event for purposes of the relevant Credit Derivative Transaction has occurred with respect to the relevant Reference Entity; and

(ii) if the relevant Credit Derivatives Determinations Committee Resolves that such event has occurred, (A) with respect to a Reference Entity that is not a Sovereign, the legally effective date of such event or (B) with respect to a Reference Entity that is a Sovereign, the date of the occurrence of such event,

the date, as publicly announced by ISDA, that the relevant Credit Derivatives Determinations Committee Resolves to be the date on which such notice is effective.

A Succession Event Notice must contain a description in reasonable detail of the facts relevant to the determination, pursuant to Section 2.2(a) or (h), as applicable, of (i) whether a Succession Event has occurred and (ii) if relevant, the identity of any Successor(s). (i) "Payment" means any obligation (whether present or future, contingent or otherwise) for the payment or repayment of money, including, without limitation, Borrowed Money;

(ii) "Borrowed Money" means any obligation (excluding an obligation under a revolving credit arrangement for which there are no outstanding, unpaid drawings in respect of principal) for the payment or repayment of borrowed money (which term shall include, without limitation, deposits and reimbursement obligations arising from drawings pursuant to letters of credit);

(iii) "Reference Obligations Only" means any obligation that is a Reference Obligation and no Obligation Characteristics shall be applicable to Reference Obligations Only;

(iv) "Bond" means any obligation of a type included in the "Borrowed Money" Obligation Category that is in the form of, or represented by, a bond, note (other than notes delivered pursuant to Loans), certificated debt security or other debt security and shall not include any other type of Borrowed Money;

(v) "Loan" means any obligation of a type included in the "Borrowed Money" Obligation Category that is documented by a term loan agreement, revolving loan agreement or other similar credit agreement and shall not include any other type of Borrowed Money; and

(vi) "Bond or Loan" means any obligation that is either a Bond or a Loan.

(b) "Obligation Characteristics" means any one or more of Not Subordinated, Specified Currency, Not Sovereign Lender, Not Domestic Currency, Not Domestic Law, Listed and Not Domestic Issuance, and:

(i) (A) "Not Subordinated" means an obligation that is not Subordinated to (I) the most senior Reference Obligation in priority of payment or (II) if no Reference Obligation is specified in the related Confirmation, any unsubordinated Borrowed Money

obligation of the Reference Entity; provided that, if any of the events set forth under Section 2.30(a) has occurred with respect to all of the Reference Obligations or if Section 2.2(d) is applicable with respect to the Reference Obligation (each, in each case, a "Prior Reference Obligation") and no Substitute Reference Obligation has been identified for any of the Prior Reference Obligations at the time of the determination of whether an obligation satisfies the "Not Subordinated" Obligation Characteristic or Deliverable Obligation Characteristic, as applicable, "Not Subordinated" shall mean an obligation that would not have been Subordinated to the most senior such Prior Reference Obligation in priority of payment. For purposes of determining whether an obligation satisfies the "Not Subordinated" Obligation Characteristic or Deliverable Obligation Characteristic, the ranking in priority of payment of each Reference Obligation or each Prior Reference Obligation, as applicable, shall be determined as of the date as of which the relevant Reference Obligation or Prior Reference Obligation, as applicable, was issued or incurred, and shall not reflect any change to such ranking in priority of payment after such date.

(B) "Subordination" means, with respect to an obligation (the "Subordinated Obligation") and another obligation of the Reference Entity to which such obligation is being compared (the "Senior Obligation"), a contractual, trust or similar arrangement providing that (i) upon the liquidation, dissolution, reorganization or winding up of the Reference Entity, claims of the holders of the Senior Obligation will be satisfied prior to the claims of the holders of the Subordinated Obligation or (ii) the holders of the Subordinated Obligation will not be entitled to receive or retain payments in respect of their claims against the Reference Entity at any time that the Reference Entity is in payment arrears or is otherwise in default under the Senior Obligation. "Subordinated" will be construed accordingly. For purposes of determining whether Subordination exists or whether an obligation is Subordinated with respect to another obligation to which it is being compared, the existence of preferred creditors arising by operation of law or of collateral, credit support or other credit enhancement arrangements shall not be taken into account, except that, notwithstanding the foregoing, priorities arising by operation of law shall be taken into account where the Reference Entity is a Sovereign.

(ii) "Specified Currency" means an obligation that is payable in the currency or currencies specified as such in the related Confirmation (or, if Specified Currency is specified in a Confirmation and no currency is so specified, any of the lawful currencies of Canada, Japan, Switzerland, the United Kingdom and the United States of America and the euro and any successor currency to any of the aforementioned currencies, which currencies shall be referred to collectively in a Confirmation as the "Standard Specified Currencies");

(iv) "Not Domestic Currency" means any obligation that is payable in any currency other than the Domestic Currency;

(v) "Not Domestic Law" means any obligation that is not governed by the laws of (A) the relevant Reference Entity, if such Reference Entity is a Sovereign, or (B) the jurisdiction of organization of the relevant Reference Entity, if such Reference Entity is not a Sovereign;

(vi) "Listed" means an obligation that is quoted, listed or ordinarily purchased and sold on an exchange; and

(vii) "Not Domestic Issuance" means any obligation other than an obligation that was, at the time the relevant obligation was issued (or reissued, as the case may be) or incurred, intended to be offered for sale primarily in the domestic market of the relevant Reference Entity. Any obligation that is registered or qualified for sale outside the domestic market of the relevant Reference Entity (regardless of whether such obligation is also registered or qualified for sale within the domestic market of the relevant Reference Entity) shall be deemed not to be intended for sale primarily in the domestic market of the Reference Entity.

Section 2.20. Method for Determining Deliverable Obligations. For purposes of Section 2.15, the term "Deliverable Obligation" may be defined as each obligation of each Reference Entity described by the Deliverable Obligation Category specified in the related Confirmation, and, subject to Section 2.21(c), having each of the Deliverable Obligation Characteristics, if any, specified in the related Confirmation, in each case, as of the Delivery Date. The following terms shall have the following meanings:

(a) "Deliverable Obligation Category" means one of Payment, Borrowed Money, Reference Obligations Only, Bond, Loan, or Bond or Loan (each as defined in Section 2.19(a), except that, for the purpose of determining Deliverable Obligations, Section 2.19(a)(iii) (Reference Obligations Only) shall be amended to state that no Deliverable Obligation Characteristics shall be applicable to Reference Obligations Only).

(b) "Deliverable Obligation Characteristics" means any one or more of Not Subordinated, Specified Currency, Not Sovereign Lender, Not Domestic Currency, Not Domestic Law, Listed, Not Contingent, Not Domestic Issuance, Assignable Loan, Consent Required Loan, Direct Loan Participation, Transferable, Maximum Maturity, Accelerated or Matured and Not Bearer, and:

(i) "Not Contingent" means any obligation having as of the Delivery Date and all times thereafter an outstanding principal balance or, in the case of obligations that are not Borrowed Money, a Due and Payable Amount, that pursuant to the terms of such obligation may not be reduced as a result of the occurrence or nonoccurrence of an event or circumstance (other than payment). A Convertible Obligation, an Exchangeable Obligation and an Accreting Obligation shall satisfy the Not Contingent Deliverable Obligation Characteristic if such Convertible Obligation, Exchangeable Obligation or Accreting Obligation otherwise meets the requirements of the preceding sentence so long as, in the case of a Convertible Obligation or an Exchangeable Obligation, the right (A) to convert or exchange such obligation or (B) to require the issuer to purchase or redeem such obligation (if the issuer has exercised or may exercise the right to pay the purchase or redemption price, in whole or in part, in Equity Securities) has not been exercised (or such exercise has been effectively rescinded) on or before the Delivery Date.

If a Reference Obligation is a Convertible Obligation or an Exchangeable Obligation, then such Reference Obligation may be included as a Deliverable Obligation only if the rights referred to in clauses (A) and (B) of this Section 2.20(b)(i) have not been exercised (or such exercise has been effectively rescinded) on or before the Delivery Date.

(ii) "Assignable Loan" means a Loan that is capable of being assigned or novated to, at a minimum, commercial banks or financial institutions (irrespective of their jurisdiction of organization) that are not then a lender or a member of the relevant lending syndicate, without the

consent of the relevant Reference Entity or the guarantor, if any, of such Loan (or the consent of the applicable borrower if a Reference Entity is guaranteeing such Loan) or any agent;

(iii) "Consent Required Loan" means a Loan that is capable of being assigned or novated with the consent of the relevant Reference Entity or the guarantor, if any, of such Loan (or the consent of the relevant borrower if a Reference Entity is guaranteeing such Loan) or any agent;

(iv) "Direct Loan Participation" means a Loan in respect of which, pursuant to a participation agreement, Buyer is capable of creating, or procuring the creation of, a contractual right in favor of Seller that provides Seller with recourse to the participation seller for a specified share in any payments due under the relevant Loan which are received by such participation seller, any such agreement to be entered into between Seller and either (A) Buyer (to the extent Buyer is then a lender or a member of the relevant lending syndicate), or (B) a Qualifying Participation Seller (if any) (to the extent such Qualifying Participation Seller is then a lender or a member of the relevant lending syndicate);

(v) "Transferable" means an obligation that is transferable to institutional investors without any contractual, statutory or regulatory restriction, provided that none of the following shall be considered contractual, statutory or regulatory restrictions:

(A) contractual, statutory or regulatory restrictions that provide for eligibility for resale pursuant to Rule 144A or Regulation S promulgated under the United States Securities Act of 1933, as amended (and any contractual, statutory or regulatory restrictions promulgated under the laws of any jurisdiction having a similar effect in relation to the eligibility for resale of an obligation); or

(B) restrictions on permitted investments such as statutory or regulatory investment restrictions on insurance companies and pension funds;

(vi) "Maximum Maturity" means an obligation that has a remaining maturity from the Physical Settlement Date of not greater than the period specified in the related Confirmation;

(vii) "Accelerated or Matured" means an obligation under which the total amount owed, whether at maturity, by reason of acceleration, upon termination or otherwise (other than amounts in respect of default interest, indemnities, tax gross-ups and other similar amounts), is, or on or prior to the Delivery Date will be, due and payable in full in accordance with the terms of such obligation, or would have been but for, and without regard to, any limitation imposed under any applicable insolvency laws; and

(viii) "Not Bearer" means any obligation that is not a bearer instrument unless interests with respect to such bearer instrument are cleared via the Euroclear system, Clearstream International or any other internationally recognized clearing system.

Section 2.21. Interpretation of Provisions. Unless expressly agreed to by the parties by means of a statement in a related Confirmation that this Section 2.21 is not applicable to a Credit Derivative Transaction:

(a) If the Obligation Characteristic "Listed" is specified in a Confirmation, the Confirmation shall be construed as though Listed had been specified as an Obligation Characteristic only with respect to Bonds and shall only be relevant if Bonds are covered by the selected Obligation Category;

(b) If (i) either of the Deliverable Obligation Characteristics "Listed" or "Not Bearer" is specified in a Confirmation, the Confirmation shall be construed as though such Deliverable Obligation Characteristic had been specified as a Deliverable Obligation Characteristic only with respect to Bonds and shall only be relevant if Bonds are covered by the selected Deliverable Obligation Category; (ii) the Deliverable Obligation Characteristic "Transferable" is specified in a Confirmation, the Confirmation shall be construed as though such Deliverable Obligation Characteristic had been specified as a Deliverable Obligation Characteristic only with respect to Deliverable Obligations that are not Loans (and shall only be relevant to the extent that obligations other than Loans are covered by the selected Deliverable Obligation Category); or (iii) any of the Deliverable Obligation Characteristics "Assignable Loan", "Consent Required Loan" or "Direct Loan Participation" is specified in a Confirmation, the Confirmation shall be construed as though such Deliverable Obligation Characteristic had been specified as a Deliverable Obligation Characteristic only with respect to Loans and shall only be relevant if Loans are covered by the selected Deliverable Obligation Category;

(c) If any of Payment, Borrowed Money, Loan or Bond or Loan is specified as the Deliverable Obligation Category and more than one of Assignable Loan, Consent Required Loan and Direct Loan Participation are specified as Deliverable Obligation Characteristics, the Deliverable Obligations may include any Loan that satisfies any one of such Deliverable Obligation Characteristics specified and need not satisfy all such Deliverable Obligation Characteristics; and

(d) In the event that an Obligation or a Deliverable Obligation is a Qualifying Guarantee, the following will apply:

(i) For purposes of the application of the Obligation Category or the Deliverable Obligation Category, the Qualifying Guarantee shall be deemed to satisfy the same category or categories as those that describe the Underlying Obligation.

(ii) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, both the Qualifying Guarantee and the Underlying Obligation must satisfy on the relevant date each of the applicable Obligation Characteristics or Deliverable Obligation Characteristics, if any, specified in the related Confirmation from the following list: Not Subordinated, Specified Currency, Not Sovereign Lender, Not Domestic Currency and Not Domestic Law. For these purposes, unless otherwise specified in the related Confirmation, (A) the lawful currency of any of Canada, Japan, Switzerland, the United Kingdom or the United States of America or the euro shall not be a Domestic Currency and (B) the laws of England and the laws of the State of New York shall not be a Domestic Law.

(iii) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, only the Underlying Obligation must satisfy on the relevant date each of the applicable Obligation Characteristics or the Deliverable Obligation Characteristics, if any, specified in the related Confirmation from the following list: Listed, Not Contingent, Not Domestic Issuance, Assignable Loan, Consent Required Loan, Direct Loan Participation, Transferable, Maximum Maturity, Accelerated or Matured and Not Bearer.

(iv) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics to an Underlying Obligation, references to the Reference Entity shall be deemed to refer to the Underlying Obligor.

(v) The terms "outstanding principal balance" and "Due and Payable Amount" (as they are used in various other Sections, including without limitation, Sections 9.8(a) and 9.8(g)), when used in connection with Qualifying Guarantees are to be interpreted to be the then

"outstanding principal balance" or "Due and Payable Amount", as applicable, of the Underlying Obligation which is supported by a Qualifying Guarantee.

Section 2.22. Qualifying Participation Seller. "Qualifying Participation Seller" means any participation seller that meets the requirements specified in the related Confirmation. If no such requirements are specified, there shall be no Qualifying Participation Seller.

Section 2.23. Qualifying Guarantee. "Qualifying Guarantee" means an arrangement evidenced by a written instrument pursuant to which a Reference Entity irrevocably agrees (by guarantee of payment or equivalent legal arrangement) to pay all amounts due under an obligation (the "Underlying Obligation") for which another party is the obligor (the "Underlying Obligor"). Qualifying Guarantees shall exclude any arrangement (i) structured as a surety bond, financial guarantee insurance policy, letter of credit or equivalent legal arrangement or (ii) pursuant to the terms of which the payment obligations of the Reference Entity can be discharged, reduced or otherwise altered or assigned (other than by operation of law) as a result of the occurrence or non-occurrence of an event or circumstance (other than payment). The benefit of a Qualifying Guarantee must be capable of being Delivered together with the Delivery of the Underlying Obligation.

Section 2.24. Qualifying Affiliate Guarantee. "Qualifying Affiliate Guarantee" means a Qualifying Guarantee provided by a Reference Entity in respect of an Underlying Obligation of a Downstream Affiliate of that Reference Entity.

Section 2.25. Downstream Affiliate and Voting Shares.

(a) "Downstream Affiliate" means an entity whose outstanding Voting Shares were, at the date of issuance of the Qualifying Guarantee, more than 50% owned, directly or indirectly, by the Reference Entity.

(b) "Voting Shares" shall mean those shares or other interests that have the power to elect the board of directors or similar governing body of an entity.

Section 2.26. Sovereign. "Sovereign" means any state, political subdivision or government, or any agency, instrumentality, ministry, department or other authority (including, without limiting the foregoing, the central bank) thereof.

Section 2.27. Sovereign Agency. "Sovereign Agency" means any agency, instrumentality, ministry, department or other authority (including, without limiting the foregoing, the central bank) of a Sovereign.

Section 2.28. Supranational Organization. "Supranational Organization" means any entity or organization established by treaty or other arrangement between two or more Sovereigns or the Sovereign Agencies of two or more Sovereigns and includes, without limiting the foregoing, the International Monetary Fund, European Central Bank, International Bank for Reconstruction and Development and European Bank for Reconstruction and Development.

Section 2.29. Domestic Currency. "Domestic Currency" means the currency specified as such in the related Confirmation and any successor currency. If no currency is so specified, the Domestic Currency shall be the lawful currency and any successor currency of (a) the relevant Reference Entity, if the Reference Entity is a Sovereign, or (b) the jurisdiction in which the relevant Reference Entity is organized, if the Reference Entity is not a Sovereign. In no event shall Domestic Currency include any successor currency if such successor currency is the lawful currency of any of Canada, Japan,

Switzerland, the United Kingdom or the United States of America or the euro (or any successor currency to any such currency).

Section 2.30. Substitute Reference Obligation. "Substitute Reference Obligation" means one or more obligations of the Reference Entity (either directly or as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the related Confirmation, as provider of any Qualifying Guarantee) that will replace one or more Reference Obligations, identified by the Calculation Agent in accordance with the following procedures:

(a) In the event that (i) a Reference Obligation is redeemed in whole or (ii) in the opinion of the Calculation Agent (A) the aggregate amounts due under any Reference Obligation have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortization or prepayments), (B) any Reference Obligation is an Underlying Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms, or (C) for any other reason, other than due to the existence or occurrence of a Credit Event, any Reference Obligation is no longer an obligation of a Reference Entity, the Calculation Agent shall (after consultation with the parties) identify one or more Obligations to replace such Reference Obligation.

(b) Any Substitute Reference Obligation or Substitute Reference Obligations shall be an Obligation that (i) ranks *pari passu* in priority of payment with the ranking in priority of payment of each of the Substitute Reference Obligation and such Reference Obligation (with the ranking in priority of payment of such Reference Obligation being determined as of the date as of which such Reference Obligation was issued or incurred and not reflecting any change to such ranking in priority of payment after such date), (ii) preserves the economic equivalent, as closely as practicable as determined by the Calculation Agent in consultation with the parties, of the delivery and payment obligations of the parties to the Credit Derivative Transaction and (iii) is an obligation of the relevant Reference Entity (either directly or as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the related Confirmation, as provider of a Qualifying Guarantee). The Substitute Reference Obligation or Substitute Reference Obligations identified by the Calculation Agent shall, without further action, replace such Reference Obligation or Reference Obligations.

(c) If more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Credit Derivative Transaction, any of the events set forth under Section 2.30(a) has occurred with respect to one or more but not all of the Reference Obligations, and the Calculation Agent determines (after consultation with the parties) that no Substitute Reference Obligation is available for one or more of such Reference Obligations, each Reference Obligation for which no Substitute Reference Obligation is available shall cease to be a Reference Obligation.

(d) If more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Credit Derivative Transaction, any of the events set forth under Section 2.30(a) has occurred with respect to all of the Reference Obligations, and the Calculation Agent determines (after consultation with the parties) that at least one Substitute Reference Obligation is available for any such Reference Obligation, then each such Reference Obligation shall be replaced by a Substitute Reference Obligation and each Reference Obligation for which no Substitute Reference Obligation is available will cease to be a Reference Obligation.

(e) If (i) more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Credit Derivative Transaction, any of the events set forth in Section 2.30(a) has occurred with respect to all of the Reference Obligations and the Calculation Agent determines (after consultation

with the parties) that no Substitute Reference Obligation is available for any of the Reference Obligations, or (ii) only one specific Reference Obligation is identified as a Reference Obligation in relation to a Credit Derivative Transaction, any of the events set forth in Section 2.30(a) has occurred with respect to such Reference Obligation and the Calculation Agent determines (after consultation with the parties) that no Substitute Reference Obligation is available for that Reference Obligation, then the Calculation Agent shall continue to attempt to identify a Substitute Reference Obligation until the Extension Date. If (A) either (I) "Cash Settlement" is specified as the Settlement Method in the related Confirmation (or is applicable pursuant to the Fallback Settlement Method in accordance with Section 12.1) and the Cash Settlement Amount is determined by reference to a Reference Obligation or (II) either "Auction Settlement" or "Physical Settlement" is specified as the Settlement Method in the related Confirmation (or, in the case of Physical Settlement, is applicable pursuant to the Fallback Settlement Method in accordance with Section 12.1) and, in each case, the Reference Obligation is the only Deliverable Obligation and (B) on or prior to the Extension Date (determined by reference to Greenwich Mean Time (or, if the Transaction Type of the relevant Reference Entity is Japan Corporate or Japan Sovereign (as such terms are defined in the 2005 Matrix Supplement), Tokyo time)), a Substitute Reference Obligation has not been identified, the parties' obligations to each other under such Credit Derivative Transaction shall cease as of the end of the day on the Extension Date (determined by reference to Greenwich Mean Time (or, if the Transaction Type of the relevant Reference Entity is Japan Corporate or Japan Sovereign (as such terms are defined in the 2005 Matrix Supplement), Tokyo time)).

(f) For purposes of identification of a Reference Obligation, any change in the Reference Obligation's CUSIP or ISIN number or other similar identifier will not, in and of itself, convert such Reference Obligation into a different Obligation.

Section 2.31. Merger of Reference Entity and Seller. In the event that Seller or a Reference Entity consolidates or amalgamates with, or merges into, or transfers all or substantially all its assets to, the Reference Entity or the Seller, as applicable, or Seller and a Reference Entity become Affiliates, an Additional Termination Event under the 2002 ISDA Master Agreement will be deemed to have occurred with Seller as the sole Affected Party, with each Credit Derivative Transaction involving such Reference Entity as the Affected Transactions and Close-out Amount as applicable (irrespective of the payment measure specified by the parties in any master agreement between them) and each such Credit Derivative Transaction will be terminated in accordance with any applicable provisions set forth in the 2002 ISDA Master Agreement.

Section 2.32. Restructuring Maturity Limitation and Fully Transferable Obligation.

(a) If "Physical Settlement" and "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" are specified in a Confirmation (or if Physical Settlement is applicable as the Fallback Settlement Method in accordance with Section 12.1 and "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" is specified in a Confirmation) and Restructuring is the only Credit Event specified in a Credit Event Notice delivered by Buyer, then a Deliverable Obligation may be specified (or deemed specified pursuant to Section 9.10) in the Notice of Physical Settlement or specified in any NOPS Amendment Notice, as applicable, only if such Deliverable Obligation (i) is a Fully Transferable Obligation and (ii) has a final maturity date not later than the applicable Restructuring Maturity Limitation Date;

(b) "Fully Transferable Obligation" means a Deliverable Obligation that is either Transferable, in the case of Bonds, or capable of being assigned or novated to all Eligible Transferees without the consent of any person being required, in the case of any Deliverable Obligation other than Bonds. Any requirement that notification of novation, assignment or transfer of a Deliverable Obligation be provided to a trustee, fiscal agent, administrative agent, clearing agent or paying agent for a

Deliverable Obligation shall not be considered to be a requirement for consent for purposes of this Section 2.32(b).

For purposes of determining whether a Deliverable Obligation satisfies the requirements of the definition of Fully Transferable Obligation, such determination shall be made as of the Delivery Date for the Deliverable Obligation, taking into account only the terms of the Deliverable Obligation and any related transfer or consent documents which have been obtained by Buyer.

(c) "Restructuring Maturity Limitation Date" means, with respect to a Deliverable Obligation, the Limitation Date occurring on or immediately following the Scheduled Termination Date, provided that, in circumstances where the Scheduled Termination Date is later than the 2.5-year Limitation Date, at least one Enabling Obligation exists. Notwithstanding the foregoing, if the final maturity date of the Restructured Bond or Loan with the latest final maturity date of any Restructured Bond or Loan occurs prior to the 2.5-year Limitation Date (such Restructured Bond or Loan, a "Latest Maturity Restructured Bond or Loan") and the Scheduled Termination Date occurs prior to the final maturity date of such Latest Maturity Restructured Bond or Loan, then the Restructuring Maturity Limitation Date will be the final maturity date of such Latest Maturity Restructured Bond or Loan.

In the event that the Scheduled Termination Date is later than (i)(A) the final maturity date of the Latest Maturity Restructured Bond or Loan, if any, or (B) the 2.5-year Limitation Date, and, in either case, no Enabling Obligation exists or (ii) the 20-year Limitation Date, the Restructuring Maturity Limitation Date will be the Scheduled Termination Date.

(d) "Eligible Transferee" means:

(i) any

(A) bank or other financial institution;

(B) insurance or reinsurance company;

(C) mutual fund, unit trust or similar collective investment vehicle (other than an entity specified in clause (iii)(A) below); and

(D) registered or licensed broker or dealer (other than a natural person or proprietorship),

provided, however, in each case that such entity has total assets of at least USD 500,000,000;

(ii) an Affiliate of an entity specified in the preceding clause (i);

(iii) each of a corporation, partnership, proprietorship, organization, trust or other entity:

(A) that is an investment vehicle (including, without limitation, any hedge fund, issuer of collateralized debt obligations, commercial paper conduit or other special purpose vehicle) that (1) has total assets of at least USD 100,000,000 or (2) is one of a group of investment vehicles under common control or management having, in the aggregate, total assets of at least USD 100,000,000;

(B) that has total assets of at least USD 500,000,000; or

(C) the obligations of which under an agreement, contract or transaction are guaranteed or otherwise supported by a letter of credit or keepwell, support or other agreement by an entity described in clauses (i), (ii), (iii)(B) or (iv) of this Section 2.32(d); or

(iv) a Sovereign, Sovereign Agency or Supranational Organization.

All references in this Section 2.32(d) to USD include equivalent amounts in other currencies.

Section 2.33. Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation.

(a) If "Physical Settlement" and "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" are specified in a Confirmation (or if Physical Settlement is applicable as the Fallback Settlement Method in accordance with Section 12.1 and "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified in a Confirmation) and Restructuring is the only Credit Event specified in a Credit Event Notice delivered by Buyer, then a Deliverable Obligation may be specified (or deemed specified pursuant to Section 9.10) in the Notice of Physical Settlement or specified in any NOPS Amendment Notice, as applicable, only if it (i) is a Conditionally Transferable Obligation and (ii) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date;

(b) "Conditionally Transferable Obligation" means a Deliverable Obligation that is either Transferable, in the case of Bonds, or capable of being assigned or novated to all Modified Eligible Transferees without the consent of any person being required, in the case of any Deliverable Obligation other than Bonds, provided, however, that a Deliverable Obligation other than Bonds will be a Conditionally Transferable Obligation notwithstanding that consent of the Reference Entity or the guarantor, if any, of a Deliverable Obligation other than Bonds (or the consent of the relevant obligor if a Reference Entity is guaranteeing such Deliverable Obligation) or any agent is required for such novation, assignment or transfer so long as the terms of such Deliverable Obligation provide that such consent may not be unreasonably withheld or delayed. Any requirement that notification of novation, assignment or transfer of a Deliverable Obligation be provided to a trustee, fiscal agent, administrative agent, clearing agent or paying agent for a Deliverable Obligation shall not be considered to be a requirement for consent for purposes of this Section 2.33(b).

(i) Where "Physical Settlement" is specified as the Settlement Method in the related Confirmation (or where Physical Settlement is applicable as the Fallback Settlement Method in accordance with Section 12.1), Modified Restructuring Maturity Limitation under this Section 2.33 applies and a Deliverable Obligation is a Conditionally Transferable Obligation with respect to which consent is required to novate, assign or transfer, then if the requisite consent is refused (whether or not a reason is given for such refusal and, where a reason is given for such refusal, regardless of that reason), or is not received by the Physical Settlement Date (in which case it shall be deemed to have been refused), Buyer shall promptly notify Seller of such refusal (or deemed refusal) and:

(A) Section 9.2(c)(iv) shall apply with respect to Seller as the "designator", provided, however, that the designee need not be an Affiliate of Seller; and

(B) if Seller does not designate a third party that takes Delivery on or prior to the Alternative Procedure Start Date, then Section 9.10 shall apply.

(ii) For purposes of determining whether a Deliverable Obligation satisfies the requirements of the definition of Conditionally Transferable Obligation, such determination shall be made as of the Delivery Date for the Deliverable Obligation, taking into account only the terms of the Deliverable Obligation and any related transfer or consent documents which have been obtained by Buyer.

(c) "Modified Restructuring Maturity Limitation Date" means, with respect to a Deliverable Obligation, the Limitation Date occurring on or immediately following the Scheduled Termination Date, provided that, in circumstances where the Scheduled Termination Date is later than the 2.5-year Limitation Date, at least one Enabling Obligation exists. With respect to a Credit Derivative Transaction for which "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified in the related Confirmation and for which the Scheduled Termination Date is later than the 2.5-year Limitation Date and prior to the 5-year Limitation Date, a Restructured Bond or Loan will not constitute an Enabling Obligation. Notwithstanding the foregoing, if the Scheduled Termination Date is either (i) on or prior to the 2.5-year Limitation Date or (ii) later than the 2.5-year Limitation Date and on or prior to the 5-year Limitation Date and no Enabling Obligation exists, the Modified Restructuring Maturity Limitation Date will be the 5-year Limitation Date in the case of a Restructured Bond or Loan only.

Subject to the foregoing, in the event that the Scheduled Termination Date is later than (A) the 2.5-year Limitation Date and no Enabling Obligation exists or (B) the 20-year Limitation Date, the Modified Restructuring Maturity Limitation Date will be the Scheduled Termination Date.

(d) "Modified Eligible Transferee" means any bank, financial institution or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities and other financial assets.

Section 2.34. General Terms Relating to Restructuring Maturity Limitation Date and Modified Restructuring Maturity Limitation Date.

(a) "Enabling Obligation" means an outstanding Deliverable Obligation that (i) is a Fully Transferable Obligation or a Conditionally Transferable Obligation, as applicable, and (ii) has a final maturity date occurring on or prior to the Scheduled Termination Date and following the Limitation Date immediately preceding the Scheduled Termination Date (or, in circumstances where the Scheduled Termination Date occurs prior to the 2.5-year Limitation Date, following the final maturity date of the Latest Maturity Restructured Bond or Loan, if any).

(b) "Limitation Date" means the first of March 20, June 20, September 20 or December 20 in any year to occur on or immediately following the date that is one of the following numbers of years after the Restructuring Date: 2.5 years (the "2.5-year Limitation Date"), 5 years (the "5-year Limitation Date"), 7.5 years, 10 years, 12.5 years, 15 years, or 20 years (the "20-year Limitation Date"), as applicable. Limitation Dates shall not be subject to adjustment in accordance with any Business Day Convention unless the parties specify in a Confirmation that Limitation Dates will be adjusted in accordance with a specified Business Day Convention.

(c) "Restructured Bond or Loan" means an Obligation that is a Bond or Loan and in respect of which the relevant Restructuring has occurred.

(d) "Restructuring Date" means the date on which a Restructuring is legally effective in accordance with the terms of the documentation governing such Restructuring.

ARTICLE III

CONDITIONS TO SETTLEMENT

Section 3.1. Settlement. Upon the occurrence of a Credit Event and the satisfaction of the Conditions to Settlement, the parties will perform their respective obligations in accordance with the applicable Settlement Method or Fallback Settlement Method, as applicable.

Section 3.2. Conditions to Settlement.

(a) **Conditions to Settlement.** All of the Conditions to Settlement shall be deemed to be satisfied by the occurrence of an Event Determination Date to the extent that such Event Determination Date is not subsequently reversed prior to the Auction Final Price Determination Date, a Valuation Date, the Physical Settlement Date (or, if earlier, a Delivery Date), or the Termination Date, as applicable, unless "Physical Settlement" is specified as the Settlement Method in the related Confirmation (or is applicable pursuant to the Fallback Settlement Method in accordance with Section 12.1), in which case all of the Conditions to Settlement shall be deemed to be satisfied by the satisfaction of the Notice of Physical Settlement Condition to Settlement on or following the occurrence of an Event Determination Date.

(b) **Notice of Publicly Available Information.** The Notice of Publicly Available Information Condition to Settlement is satisfied by the delivery of a Notice of Publicly Available Information by the party delivering the Credit Event Notice to the other party that is effective during one of the periods specified in Section 1.8(a)(i); provided that the Notice of Publicly Available Information Condition to Settlement shall be deemed to be satisfied in circumstances where ISDA publicly announces on or prior to the last day of the Notice Delivery Period (including prior to the Trade Date) that the relevant Credit Derivatives Determinations Committee has Resolved that an event that constitutes a Credit Event for purposes of the relevant Credit Derivative Transaction has occurred with respect to the relevant Reference Entity or Obligation thereof.

provided that in the case of Sections 3.2(c)(i)(B) and 3.2(c)(ii), the relevant Credit Event Resolution Request Date occurred on or prior to the date described in Section 3.2(c)(i)(A).

For purposes of determining whether the Notice of Physical Settlement Condition to Settlement has been satisfied, the effective date of delivery of the Notice of Physical Settlement (whether or not subsequently changed) shall be used.

Section 3.3. Credit Event Notice. "Credit Event Notice" means an irrevocable notice from a Notifying Party (which may be in writing (including by facsimile and/or email) and/or by telephone) to

A Credit Event Notice must contain a description in reasonable detail of the facts relevant to the determination that a Credit Event has occurred. The Credit Event that is the subject of the Credit Event Notice need not be continuing on the date the Credit Event Notice is effective. A Credit Event Notice shall be subject to the requirements regarding notices set forth in Section 1.10. A form of Credit Event Notice is set forth in Exhibit B.

A NOPS Amendment Notice shall contain a revised detailed description of each replacement Deliverable Obligation that Buyer will, subject to Section 9.2(c)(ii), Deliver to Seller (each, a "Replacement Deliverable Obligation") and shall also specify the Outstanding Amount of each Deliverable Obligation identified in the Notice of Physical Settlement or a prior NOPS Amendment Notice, as applicable, that is being replaced (with respect to each such Deliverable Obligation, the "Replaced Deliverable Obligation Outstanding Amount"). The Outstanding Amount of each Replacement Deliverable Obligation identified in a NOPS Amendment Notice shall be determined by applying the Revised Currency Rate to the relevant Replaced Deliverable Obligation Outstanding Amount. Each such NOPS Amendment Notice must be effective on or prior to the Physical Settlement Date (determined without reference to any change resulting from such NOPS Amendment Notice). Notwithstanding the foregoing, Buyer may correct any errors or inconsistencies in the detailed description of each Deliverable Obligation contained in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, by notice to Seller (given in the manner specified above) prior to the relevant Delivery Date; it being understood that such notice of correction shall not constitute a NOPS Amendment Notice.

Subject to Section 6.5, if an effective Notice of Physical Settlement is not delivered by Buyer within the periods described in Section 3.2(c), then the last day of the latest of the periods shall be the Termination Date.

A form of Notice of Physical Settlement is set forth in Exhibit C.

Section 3.5. Publicly Available Information. "Publicly Available Information" means:

(c) In relation to any information of the type described in Sections 3.5(a)(ii), (iii) and (iv), the party receiving such information may assume that such information has been disclosed to it without violating any law, agreement or understanding regarding the confidentiality of such information and that the party delivering such information has not taken any action or entered into any agreement or understanding with the Reference Entity or any Affiliate of the Reference Entity that would be breached by, or would prevent, the disclosure of such information to the party receiving such information.

(d) Publicly Available Information need not state (i) in relation to Section 2.25, the percentage of Voting Shares owned, directly or indirectly, by the Reference Entity and (ii) that such occurrence (A) has met the Payment Requirement or Default Requirement, (B) is the result of exceeding any applicable Grace Period or (C) has met the subjective criteria specified in certain Credit Events.

(a) a Notifying Party may deliver multiple Credit Event Notices with respect to such Restructuring, each such Credit Event Notice setting forth the amount of the Floating Rate Payer Calculation Amount to which such Credit Event Notice applies (the "Exercise Amount"), provided that if the Credit Event Notice does not specify an Exercise Amount, the then outstanding Floating Rate Payer Calculation Amount (and not a portion thereof) will be deemed to have been specified as the Exercise Amount;

(b) if the Notifying Party has delivered a Credit Event Notice that specifies an Exercise Amount that is less than the then outstanding Floating Rate Payer Calculation Amount, the rights and obligations of the parties shall, with effect from the date such Credit Event Notice is effective, be construed as if the parties had entered into two Credit Derivative Transactions, one of which has a Floating Rate Payer Calculation Amount equal to the Exercise Amount and, upon satisfaction of the Conditions to Settlement, will be settled in accordance with the applicable Settlement Method or Fallback Settlement Method, as applicable, and the other of which will have a Floating Rate Payer Calculation Amount equal to the Floating Rate Payer Calculation Amount outstanding prior to such Credit Event Notice minus the Exercise Amount and will continue in effect with such modifications required as determined by the Calculation Agent (in consultation with the parties) to preserve the economic effects of the two Credit Derivative Transactions considered in the aggregate;

(c) Potential Repudiation/Moratorium. "Potential Repudiation/Moratorium" means the occurrence of an event described in clause (i) of the definition of Repudiation/Moratorium.

(d) Repudiation/Moratorium Extension Condition. If such party is able to obtain two or more Full Quotations or a Weighted Average Quotation on the same Business Day within an additional five Business Days, the Calculation Agent shall use such Full Quotations or Weighted Average Quotation to determine the Final Price in accordance with the specified Valuation Method. If such party is unable to obtain two or more Full Quotations or a Weighted Average Quotation on the same Business Day within an additional five Business Days, the Quotations shall be deemed to be any Full Quotation obtained from a Dealer at the Valuation Time on such fifth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations for the Reference Obligation obtained from Dealers at the Valuation Time on such fifth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations were not obtained on such day. If the Calculation Agent is a third party and is unable to obtain two or more Full Quotations or a Weighted Average Quotation on the same Business Day on or prior to the tenth Business Day following the applicable Valuation Date, Buyer and Seller each may attempt to obtain Full Quotations from five or more Dealers and, if two or more Full Quotations are not available, a Weighted Average Quotation. ARTICLE VIII

TERMS RELATING TO PHYSICAL SETTLEMENT

Section 8.1. Physical Settlement. If "Physical Settlement" is specified as the Settlement Method in the related Confirmation (or if Physical Settlement is applicable as the Fallback Settlement Method in accordance with Section 12.1), Buyer shall, subject to Sections 3.1, 6.5 and 9.2(c)(ii), on or prior to the Physical Settlement Date, Deliver to Seller the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable and Seller shall pay to Buyer the Physical Settlement Amount that corresponds to the Deliverable Obligations that Buyer has Delivered. If Buyer Delivers Deliverable Obligations in an amount greater than the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, Seller shall not be required to pay more than the Physical Settlement Amount that corresponds to the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable. For purposes of the foregoing, Delivery by Buyer and payment by Seller shall be made in accordance with market practice applicable to the Deliverable Obligation on the Delivery Date.

In the case of Deliverable Obligations that are (a) Borrowed Money, Buyer shall Deliver Deliverable Obligations with an outstanding principal balance (including accrued but unpaid interest (as determined by the Calculation Agent after consultation with the parties) if "Include Accrued Interest" is specified in the related Confirmation, but excluding accrued but unpaid interest if "Exclude Accrued Interest" is specified in the related Confirmation, and if neither "Include Accrued Interest" nor "Exclude Accrued Interest" is specified in the related Confirmation, excluding accrued but unpaid interest) and (b) not Borrowed Money, Buyer shall Deliver Deliverable Obligations with a Due and Payable Amount (or, in the case of either (a) or (b), the equivalent Currency Amount of any such amount), in each case in the aggregate amount as of the relevant Delivery Dates that is equal to the Floating Rate Payer Calculation Amount; provided that Buyer may Deliver Deliverable Obligations with an outstanding principal balance (including or excluding accrued but unpaid interest, as applicable) or a Due and Payable Amount, as applicable, (or the equivalent Currency Amount of any such amount), in the aggregate amount as of the relevant Delivery Dates that is either (i) greater than the Floating Rate Payer Calculation Amount, in which case Seller shall not be required to pay more than the Physical Settlement Amount to Buyer, or (ii) less than the Floating Rate Payer Calculation Amount, in which case Seller shall not be required to pay more than the proportion of the Physical Settlement Amount that corresponds to the Deliverable Obligations Delivered, subject to Section 9.2(c)(ii).

If an obligation by its terms represents or contemplates an obligation to pay an amount greater than the outstanding principal balance of such obligation as of the Delivery Date as a result of the occurrence or nonoccurrence of an event or circumstance, the outstanding principal balance of such obligation shall not include any additional amount that would be payable upon the occurrence or nonoccurrence of such event or circumstance.

Section 8.2. Deliver. "Deliver" means to deliver, novate, transfer (including, in the case of a Qualifying Guarantee, transfer of the benefit of the Qualifying Guarantee), assign or sell, as appropriate, in the manner customary for the settlement of the applicable Deliverable Obligations (which shall include executing all necessary documentation and taking any other necessary actions), in order to convey all right, title and interest in the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, to Seller free and clear of any and all liens, charges, claims or encumbrances (including, without limitation, any counterclaim, defense (other than a counterclaim or defense based on the factors set forth in Section 4.1(a) to (d) inclusive) or right of set off by or of the Reference Entity or, as applicable, an Underlying Obligor); provided that to the extent that the Deliverable Obligations consist of Direct Loan Participations, "Deliver" means to create (or procure the

creation) of a participation in favor of the Seller and to the extent that the Deliverable Obligations consist of Qualifying Guarantees, "Deliver" means to Deliver both the Qualifying Guarantee and the Underlying Obligation. "Delivery" and "Delivered" will be construed accordingly. In the case of a Loan, Delivery shall be effected using documentation substantially in the form of the documentation customarily used in the relevant market for Delivery of such Loan at that time. Notwithstanding the previous sentence, in the case of a Loan, Buyer and Seller agree to comply, for purposes of the settlement of the relevant Credit Derivative Transaction, with the provisions of any documentation (which term shall be deemed to include any market advisory that the relevant Credit Derivatives Determinations Committee Resolves to approve for such purpose) that the relevant Credit Derivatives Determinations Committee Resolves constitutes documentation customarily used in the relevant market for Delivery of such Loan at that time, as such documentation may be amended to the extent the relevant Credit Derivatives Determinations Committee Resolves is appropriate, which is consistent with the delivery and payment obligations of the parties hereunder. Buyer and Seller further agree that compliance by Buyer and Seller with the provisions of any such documentation, shall be required for, and, without further action, constitute, Delivery for purposes of this Section 8.2 (to the extent that such documentation contains provisions describing how Delivery should be effected) and neither Buyer nor Seller shall be permitted to request that the other party take, nor shall Buyer or Seller be required to take, any action under Sections 9.2(c)(i), (v) or (vi), as applicable, unless otherwise contemplated by such documentation.

(a) (i) With respect to any Accreting Obligation, "outstanding principal balance" means the Accreted Amount thereof.

(ii) With respect to any Exchangeable Obligation that is not an Accreting Obligation, "outstanding principal balance" shall exclude any amount that may be payable under the terms of such obligation in respect of the value of the Equity Securities for which such obligation is exchangeable.

(b) (i) "Accreted Amount" means, with respect to an Accreting Obligation, an amount equal to (A) the sum of (1) the original issue price of such obligation and (2) the portion of the

amount payable at maturity that has accreted in accordance with the terms of the obligation (or as otherwise described below), less (B) any cash payments made by the obligor thereunder that, under the terms of such obligation, reduce the amount payable at maturity (unless such cash payments have been accounted for in clause (A)(2) above), in each case calculated as of the earlier of (x) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (y) the Delivery Date or applicable Valuation Date, as the case may be. Such Accreted Amount shall include any accrued and unpaid periodic cash interest payments (as determined by the Calculation Agent after consultation with the parties) only if "Include Accrued Interest" is specified as being applicable. If an Accreting Obligation is expressed to accrete pursuant to a straight-line method or if such Obligation's yield to maturity is not specified in, nor implied from, the terms of such Obligation, then, for purposes of clause (A)(2) above, the Accreted Amount shall be calculated using a rate equal to the yield to maturity of such Obligation. Such yield shall be determined on a semiannual bond equivalent basis using the original issue price of such obligation and the amount payable at the scheduled maturity of such obligation, and shall be determined as of the earlier of (x) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (y) the Delivery Date or applicable Valuation Date, as the case may be. The Accreted Amount shall exclude, in the case of an Exchangeable Obligation, any amount that may be payable under the terms of such obligation in respect of the value of the Equity Securities for which such obligation is exchangeable.

(ii) "Accreting Obligation" means any obligation (including, without limitation, a Convertible Obligation or an Exchangeable Obligation), the terms of which expressly provide for an amount payable upon acceleration equal to the original issue price (whether or not equal to the face amount thereof) plus an additional amount or amounts (on account of original issue discount or other accruals of interest or principal not payable on a periodic basis) that will or may accrete, whether or not (A) payment of such additional amounts is subject to a contingency or determined by reference to a formula or index, or (B) periodic cash interest is also payable.

(iii) "Convertible Obligation" means any obligation that is convertible, in whole or in part, into Equity Securities solely at the option of holders of such obligation or a trustee or similar agent acting for the benefit only of holders of such obligation (or the cash equivalent thereof, whether the cash settlement option is that of the issuer or of (or for the benefit of) the holders of such obligation).

(iv) "Equity Securities" means:

(A) in the case of a Convertible Obligation, equity securities (including options and warrants) of the issuer of such obligation or depositary receipts representing those equity securities of the issuer of such obligation together with any other property distributed to or made available to holders of those equity securities from time to time; and

(B) in the case of an Exchangeable Obligation, equity securities (including options and warrants) of a person other than the issuer of such obligation or depositary receipts representing those equity securities of a person other than the issuer of such obligation together with any other property distributed to or made available to holders of those equity securities from time to time.

(v) "Exchangeable Obligation" means any obligation that is exchangeable, in whole or in part, for Equity Securities solely at the option of holders of such obligation or a trustee or

similar agent acting for the benefit only of holders of such obligation (or the cash equivalent thereof, whether the cash settlement option is that of the issuer or of (or for the benefit of) the holders of such obligation).

Section 8.8. Due and Payable Amount. "Due and Payable Amount" means the amount that is due and payable under (and in accordance with the terms of) a Deliverable Obligation on the Delivery Date, whether by reason of acceleration, maturity, termination or otherwise (excluding sums in respect of default interest, indemnities, tax gross-ups and other similar amounts).

Section 8.9. Currency Amount. "Currency Amount" means with respect to (a) a Deliverable Obligation specified in a Notice of Physical Settlement that is denominated in a currency other than the Settlement Currency, an amount converted to the Settlement Currency using a conversion rate determined by reference to the Currency Rate and (b) a Replacement Deliverable Obligation specified in a NOPS Amendment Notice, an amount converted to the Settlement Currency (or, if applicable, back into the Settlement Currency) using a conversion rate determined by reference to the Currency Rate, if any, and each Revised Currency Rate used to convert each Replaced Deliverable Obligation Outstanding Amount specified in each NOPS Amendment Notice with respect to that portion of the Credit Derivative Transaction into the currency of denomination of the relevant Replacement Deliverable Obligation.

Section 8.10. Currency Rate. "Currency Rate" means with respect to (a) a Deliverable Obligation specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, the rate of conversion between the Settlement Currency and the currency in which the Outstanding Amount of such Deliverable Obligation is denominated that is either (i) determined by reference to the Currency Rate Source as at the Next Currency Fixing Time or (ii) if such rate is not available at such time, determined by the Calculation Agent in a commercially reasonable manner after consultation with the parties and (b) a Replacement Deliverable Obligation specified in a NOPS Amendment Notice, the Revised Currency Rate.

Section 8.11. Escrow.

(a) "Escrow" means, if Escrow is specified in the related Confirmation as applicable, either party may require that Physical Settlement take place through the use of an Escrow Agent. Any costs or expenses incurred in connection with establishing such escrow arrangement shall be borne by the party requiring such arrangement.

(b) If a party requires that Physical Settlement take place through an Escrow Agent, Delivery to the Escrow Agent by a party must occur within the time required for Physical Settlement as if there were no Escrow Agent.

(c) "Escrow Agent" means a financial institution that the parties to a Credit Derivative Transaction specify as such in the related Confirmation (or, if a person is not so specified, an independent third party financial institution specified by Buyer prior to the Physical Settlement Date, subject to the terms of the escrow arrangement).

Section 8.12. Revised Currency Rate. (b) At the time a Credit Derivative Transaction is entered into, Buyer and Seller shall each be deemed to agree with the other that, so long as either party has or may have any obligation under such Credit Derivative Transaction:

(i) the parties will be obligated to perform, subject to Section 3.1, in accordance with the Settlement Method or, if applicable in accordance with Section 12.1, Fallback Settlement Method, as applicable, irrespective of the existence or amount of the parties' credit exposure to a Reference Entity, and Buyer need not suffer any loss nor provide evidence of any loss as a result of the occurrence of a Credit Event;

(iii) each party and its Affiliates and the Calculation Agent may deal in each Reference Obligation, Obligation, Deliverable Obligation or Underlying Obligation and may, where permitted, accept deposits from, make loans or otherwise extend credit to, and generally engage in any kind of commercial or investment banking or other business with, a Reference Entity, any Affiliate of a Reference Entity, any Underlying Obligor or any other person or entity having obligations relating to a Reference Entity or any Underlying Obligor, and may act with respect to such business in the same manner as each of them would if such Credit Derivative Transaction did not exist, regardless of whether any such action might have an adverse effect on a Reference Entity, any Underlying Obligor or the position of the other party to such Credit Derivative Transaction or otherwise (including, without limitation, any action which might constitute or give rise to a Credit Event);

(iv) each party and its Affiliates and the Calculation Agent may, whether by virtue of the types of relationships described herein or otherwise, on the Trade Date or at any time thereafter, be in possession of information in relation to a Reference Entity or any Underlying Obligor that is or may be material in the context of such Credit Derivative Transaction and that may or may not be publicly available or known to the other party, and such Credit Derivative Transaction does not create any obligation on the part of such party, its Affiliates or the Calculation Agent to disclose to the other party any such relationship or information (whether or not confidential);

(v) unless it is otherwise bound by or subject to a confidentiality obligation or agreement, a party receiving any information from the other party with respect to such Credit Derivative Transaction shall not become subject to any obligation of confidentiality in respect of that information and the transferor of such information shall indemnify and hold harmless the transferee for any loss, liability, claim, damage and expense whatsoever incurred by the transferee

(vi) each party has determined to enter into such Credit Derivative Transaction notwithstanding any information described in Section 9.1(b)(iv) above that the other party may have possession of, and notwithstanding that such party may be contractually prohibited from disclosing or offering to disclose such information to the other party by virtue of any credit agreement or other agreement with a Reference Entity, any Affiliate of a Reference Entity, any Underlying Obligor or any other person or entity having obligations relating to a Reference Entity or any Underlying Obligor or otherwise; and

(vii) neither party shall have any liability to the other party (or its officers, directors, agents, partners, members, controlling entities or employees) and each party waives and releases any claims that it might have against the other party (or its officers, directors, agents, partners, members, controlling entities or employees) whether under applicable securities laws or otherwise, with respect to the nondisclosure of any information described in Section 9.1(b)(iv) above in connection with such Credit Derivative Transaction; provided, however, that such information does not and shall not affect the truth or accuracy of any representation made by such party herein or in the related Confirmation.

(c) At the time a Credit Derivative Transaction is entered into, Buyer and Seller shall be deemed to agree:

(i) that no DC Party and no legal counsel or other third-party professional hired by a DC Party in connection with such DC Party's performance of its respective duties under the Rules and/or any Credit Derivatives Auction Settlement Terms, as applicable, shall be liable, whether for negligence or otherwise, to Buyer or Seller for any form of damages, whether direct, indirect, special, consequential or otherwise, that might arise in connection with such DC Party's performance of its duties, or any advice given by legal counsel or any other third-party professional hired by such DC Party in connection with such DC Party's performance of its respective duties, under the Rules and/or any Credit Derivatives Auction Settlement Terms, as applicable, except in the case of fraud or wilful misconduct on the part of such DC Party, legal counsel or other third-party professional, as applicable; provided that, notwithstanding the foregoing, legal counsel or any other third-party professional hired by a DC Party in connection with such DC Party's performance of its duties under the Rules and/or any Credit Derivatives Auction Settlement Terms, as applicable, may be still be liable to such DC Party;

(iii) notwithstanding any provision in the master agreement between Buyer and Seller that governs the relevant Credit Derivative Transaction and/or the related Confirmation, as applicable, that describes an alternative mechanism for resolving, in the absence of agreement between Buyer and Seller, any matter that is Resolved by the relevant Credit Derivatives Determinations Committee (unless any such provision seeks to amend or override the agreement

contained in this Section 9.1(c)(iii) by expressly referring in writing to this Section 9.1(c)(iii) and such provision would otherwise be effective in accordance with the master agreement between Buyer and Seller that governs the relevant Credit Derivative Transaction), any DC Resolution of the relevant Credit Derivatives Determinations Committee that is applicable to such Credit Derivative Transaction shall be binding on Buyer and Seller to the extent that such DC Resolution is made either by reference to the terms of the Definitions, as supplemented by any supplement to the Definitions published by ISDA (including the 2009 ISDA Credit Derivatives Determinations Committees, Auction Settlement and Restructuring Supplement to the 2003 ISDA Credit Derivatives Definitions published by ISDA on July 14, 2009) or by reference to the terms of any additional provisions published by ISDA and incorporated in the related Confirmation:

(A) until such time as ISDA publicly announces that such DC Resolution has been reversed by a subsequent DC Resolution of the relevant Credit Derivatives Determinations Committee, if any, (subject to Section 9.1(c)(iii)(B)); and/or

(B) unless the effect of such DC Resolution would be to reverse a prior DC Resolution of the relevant Credit Derivatives Determinations Committee, any prior determination by the Calculation Agent or determination that an Event Determination Date has occurred, that has resulted in:

(I) the identification of one or more Successors;

(II) the identification of one or more Substitute Reference Obligations; or

(III) the occurrence of an Auction Final Price Determination Date or Physical Settlement Date, as applicable, or to the extent that a Valuation Date, Delivery Date or Termination Date, as applicable, has occurred, in each case, on or prior to the date that ISDA publicly announces such DC Resolution of the relevant Credit Derivatives Determinations Committee;

(C) notwithstanding the fact that:

(I) the Definitions, as supplemented, or the relevant additional provisions published by ISDA and incorporated in the related Confirmation, as applicable, may require such determination to be made by the Calculation Agent; or

(II) in order to reach such DC Resolution, the relevant Credit Derivatives Determinations Committee may be required to Resolve one or more factual matters before being able to reach such DC Resolution; and

(iv) that no DC Party is (A) under any obligation to research, investigate, supplement, or verify the veracity of, any information on which the relevant Credit Derivatives Determinations Committee bases its decision and (B) acting as a fiduciary for, or as an advisor to, Buyer or Seller in connection with the relevant Credit Derivative Transaction;

(v) that, in reaching any DC Resolution that is applicable to such Credit Derivative Transaction, the relevant Credit Derivatives Determinations Committee shall be under no requirement to consult with, or individually notify, Buyer or Seller, notwithstanding any provision of the Definitions, as supplemented, or of the relevant additional provisions published by ISDA and incorporated in the related Confirmation to the contrary; and

(vi) that, with respect to any DC Resolution of the relevant Credit Derivatives Determinations Committee, in the event of any inconsistency between (A) any provision of either (I) the Definitions, as supplemented, or (II) the relevant additional provisions published by ISDA and incorporated in the related Confirmation and (B) the Rules, the Rules will govern.

(d) At the time a Credit Derivative Transaction is entered into, Buyer and Seller shall be deemed to acknowledge the disclaimers set out in Section 5.1(b) of the Rules.

Section 9.2. Additional Representations and Agreements for Physical Settlement.

(a) If Physical Settlement applies to a Credit Derivative Transaction (except in relation to Direct Loan Participations), Buyer shall be deemed to represent to Seller on each Delivery Date (which representation shall survive any such Delivery Date) that it has conveyed (or, if applicable, caused to be conveyed) to Seller (or, if applicable, its designee) all right, title and interest in the Deliverable Obligations being Delivered on such date free and clear of any and all liens, charges, claims or encumbrances (including, without limitation, any counterclaim, defense (other than a counterclaim or defense based on the factors set forth in Section 4.1(a)-(d)) or right of set off by or of the Reference Entity or, as applicable, an Underlying Obligor). Subject to reasonable verification by Buyer, Buyer shall indemnify and hold harmless Seller for any loss, liability, claim, damage and expense whatsoever incurred arising out of Buyer's breach of the representations contained in this Section 9.2(a). The indemnification in the preceding sentence shall survive the Termination Date. Any breach of the representations contained in this Section 9.2(a) shall not constitute an event of default as agreed to between the parties in any master agreement governing the Credit Derivative Transaction.

(b) If Physical Settlement applies to a Credit Derivative Transaction, Buyer shall be deemed to represent to Seller on each Delivery Date (which representation shall survive any such Delivery Date) that, unless Seller has received an indemnity acceptable to Seller from Buyer with respect to the following, Delivery of such Deliverable Obligations to Seller and transfer of such Deliverable Obligations by Seller to a third party will not require or cause Seller to assume, and will not subject Seller to, any obligation, liability or commitment to lend additional funds (including any outstanding contingent commitment) (in each case other than (i) immaterial, nonpayment obligations and any assignment or transfer fee in respect of Loans and (ii) obligations arising under customary provisions in respect of Borrowed Money, including but not limited to requirements that holders thereof indemnify or reimburse a trustee, administrative or fiscal agent or similar person or entity for costs, liabilities or expenses and customary pro rata sharing provisions requiring any amount received by a lender through payment, set-off or otherwise other than through the procedures set forth in the relevant Loan documentation to be shared with other lenders).

(c) If Physical Settlement applies to a Credit Derivative Transaction:

(i) Buyer and Seller agree (which agreement shall survive the Termination Date) to execute, deliver, file and record any specific assignment, novation or other document and to take any other action that may be necessary or customary or desirable and reasonably requested by the other party in connection with Buyer's Delivery of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable (including

demonstrating to the reasonable satisfaction of Seller that Buyer has taken all reasonable steps to obtain any requisite consents and keeping Seller apprised of any occurrence of which Buyer is (or reasonably should be) aware that may affect Buyer's ability to Deliver to Seller Deliverable Obligations as specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable) and Buyer and Seller agree to cooperate reasonably in connection with the foregoing;

(ii) Subject to Sections 9.3, 9.4, 9.5, 9.6, 9.9 and 9.10, Buyer may Deliver only the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable and only in the amounts specified therein. Buyer may continue to attempt to Deliver the whole of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable (x) in the case of Deliverable Obligations that are Bonds or Loans, after the Physical Settlement Date and (y) in the case of Deliverable Obligations that are not Bonds or Loans, for an additional five Business Days after the Physical Settlement Date. If Buyer fails to Deliver Deliverable Obligations as specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, such failure shall not constitute an event of default as agreed to between the parties in any master agreement governing the Credit Derivative Transaction. Subject to Sections 9.3, 9.4, 9.5 and 9.6, the latest of (A) the date that Buyer completes Delivery of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable (or, if such Delivery includes Deliverable Obligations that are not Bonds or Loans, the later of (1) the date that Buyer completes Delivery of the Deliverable Obligations that are Bonds or Loans and (2) the date that is five Business Days after the Physical Settlement Date), (B) the date that Seller completes a buy-in pursuant to Section 9.9 with respect to all Bonds specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable that Buyer has failed to Deliver (or, if earlier, the latest date all such Bonds cease to exist) and (C) the date that alternative delivery pursuant to Section 9.10 has been completed with respect to all Loans specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable that Buyer has failed to Deliver, shall be deemed to be the Termination Date;

(iii) if an event that would otherwise constitute or give rise to an impossibility or illegality under Section 9.3 occurs and would also constitute an event which would entitle a party to terminate such Credit Derivative Transaction under a master agreement governing the Credit Derivative Transaction, it will be governed by Section 9.3 and will not entitle a party to terminate such Credit Derivative Transaction under a master agreement governing the Credit Derivative Transaction;

(iv) either party (the "designator") may designate any of its Affiliates (the "designee") to Deliver or take Delivery, as the case may be, and otherwise to perform such party's obligations to Deliver or take Delivery, as the case may be, in respect of a Credit Derivative Transaction and the designee may assume such obligations. Such designation shall not relieve the designator of any of its obligations under such Credit Derivative Transaction. If the designee has performed the obligations of the designator under such Credit Derivative Transaction, then the designator shall be discharged of its obligations to the other party to the extent of such performance. If, as a result of such designation, (A) it would be illegal due to any applicable law or regulation for the designee to so Deliver or take Delivery, the designator shall not be permitted to designate such designee to Deliver or to take Delivery or (B) such Delivery would give rise to any Tax or any loss or cost to the non-designating party, then the designator shall not be permitted to designate such designee to Deliver or to take Delivery unless the non-designating party has received an indemnity acceptable to it from the designating party with respect to such Tax, loss or cost;

(v) unless otherwise specified in a Confirmation, any recordation, processing or similar fee reasonably incurred by Buyer and payable to the agent under a Loan in connection with an assignment (where Deliverable Obligations include Assignable Loans or Consent Required Loans) or participation (where Deliverable Obligations include Direct Loan Participations) shall be payable by Buyer and Seller equally on the Delivery Date or Latest Permissible Physical Settlement Date, as applicable; and

(vi) notwithstanding any other provision of the Credit Derivative Transaction, if any Stamp Tax is payable in connection with the Delivery of (A) the Reference Obligation (or other Deliverable Obligations of the same type as the Reference Obligation), payment of such Stamp Tax shall be made by the party that would in the ordinary course bear such cost under a contract for purchase of the Reference Obligation or (B) other Deliverable Obligations, payment of such Stamp Tax shall be made by Buyer.

Section 9.3. Partial Cash Settlement Due to Impossibility or Illegality. If, due to an event beyond the control of Buyer, it is impossible or illegal for Buyer to Deliver, or due to an event beyond the control of Seller it is impossible or illegal for Seller to accept Delivery of, any of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable on the Physical Settlement Date (including, without limitation, failure of the relevant clearance system or due to any law, regulation or court order, but excluding market conditions or the failure to obtain any requisite consent with respect to the Delivery of Loans), then on or before such date (a) Buyer shall Deliver and Seller shall take Delivery of any of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable for which it is possible and legal to take Delivery and Seller shall make a payment of that portion of the Physical Settlement Amount that corresponds to the amount of Deliverable Obligations that are Delivered in accordance with market practice applicable to the Deliverable Obligation on the Delivery Date and (b) Buyer or Seller, as applicable, shall provide a description in reasonable detail of the facts giving rise to such impossibility or illegality and, as soon as practicable thereafter, Buyer shall Deliver and Seller shall take Delivery of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable which were not Delivered and Seller shall make a payment of that portion of the Physical Settlement Amount that corresponds to the amount of Deliverable Obligations that are Delivered in accordance with market practice applicable to the Deliverable Obligation on the Delivery Date. The date on which the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable which were not Delivered are subsequently delivered shall be the Termination Date. If, following the occurrence of any such impossibility or illegality, the amount of Deliverable Obligations that are to be Delivered as specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable are not Delivered to Seller on or prior to the Latest Permissible Physical Settlement Date, Cash Settlement pursuant to the Partial Cash Settlement Terms shall be deemed to apply to the Credit Derivative Transaction with respect to the Deliverable Obligations that cannot be Delivered (the "Undeliverable Obligations").

Section 9.4. Partial Cash Settlement of Consent Required Loans. If:

(a) "Partial Cash Settlement of Consent Required Loans Applicable" is specified in the related Confirmation;

(b) the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable include Consent Required Loans that, due to the non-receipt of any requisite consents, are not, on the Physical Settlement Date, capable of being assigned or novated to Seller or its designee and such consents are not obtained or deemed given by the Latest Permissible Physical Settlement Date; and

(c) (i) Direct Loan Participation is not specified as a Deliverable Obligation Characteristic in the related Confirmation or (ii) Direct Loan Participation is specified as a Deliverable Obligation Characteristic in the related Confirmation and the relevant participation is not effected on or before the Latest Permissible Physical Settlement Date,

Cash Settlement pursuant to the Partial Cash Settlement Terms shall be deemed to apply to the Credit Derivative Transaction with respect to the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable that consist of Consent Required Loans for which consents are not obtained or deemed given (the "Undeliverable Loan Obligations").

Section 9.5. Partial Cash Settlement of Assignable Loans. If:

(a) "Partial Cash Settlement of Assignable Loans Applicable" is specified in the related Confirmation;

(b) the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable include Assignable Loans that, due to the non-receipt of any requisite consents, are not, on the Physical Settlement Date, capable of being assigned or novated to Seller or its designee and such consents are not obtained or deemed given by the Latest Permissible Physical Settlement Date; and

(c) (i) Direct Loan Participation is not specified as a Deliverable Obligation Characteristic in the related Confirmation or (ii) Direct Loan Participation is specified as a Deliverable Obligation Characteristic in the related Confirmation and the relevant participation is not effected on or before the Latest Permissible Physical Settlement Date,

Cash Settlement pursuant to the Partial Cash Settlement Terms shall be deemed to apply to the Credit Derivative Transaction with respect to the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable that consist of Assignable Loans for which consents are not obtained or deemed given (the "Unassignable Obligations").

Section 9.6. Partial Cash Settlement of Participations. If:

(a) "Partial Cash Settlement of Participations Applicable" is specified in the related Confirmation; and

(b) the Deliverable Obligations include Direct Loan Participations and the relevant participation is not effected on or before the Latest Permissible Physical Settlement Date,

Cash Settlement pursuant to the Partial Cash Settlement Terms shall be deemed to apply to the Credit Derivative Transaction with respect to the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable that consist of Direct Loan Participations in respect of which the relevant participation is not effected (the "Undeliverable Participations").

Section 9.7. Latest Permissible Physical Settlement Date. "Latest Permissible Physical Settlement Date" means, in respect of Section 9.3, the date that is thirty calendar days after the Physical Settlement Date and, in respect of Sections 9.4, 9.5 and 9.6, the date that is fifteen Business Days after the Physical Settlement Date (or, where Section 2.33(b)(i)(C) applies, the date deemed pursuant to that Section).

(h) There shall be no "Minimum Quotation Amount"; and

(i) "Valuation Time" is the time specified as such in the related Confirmation or, if no time is so specified, 11:00 a.m. in the principal trading market for the Undeliverable Obligation, Undeliverable Loan Obligation, Undeliverable Participation or Unassignable Obligation (as applicable).

(k) "Quotation" means each Full Quotation, the Weighted Average Quotation and, if Indicative Quotations are applicable, each Indicative Quotation obtained and expressed as a percentage with respect to a Valuation Date in the manner that follows:

(i) The Calculation Agent shall attempt to obtain Full Quotations with respect to each Valuation Date from five or more Dealers. If the Calculation Agent is unable to obtain two or more such Full Quotations on the same Business Day within three Business Days of a Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the tenth Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from five or more Dealers, and, if two or more Full Quotations are not available, a Weighted Average Quotation. If two or more such Full Quotations or a Weighted Average Quotation are not available on any such Business Day and Indicative Quotations are applicable, the Calculation Agent shall attempt to obtain three Indicative Quotations from five or more Dealers.

(ii) If the Calculation Agent is a party to the Credit Derivative Transaction and is unable to obtain two or more Full Quotations or a Weighted Average Quotation (or, if Indicative Quotations are applicable, three Indicative Quotations) on the same Business Day on or prior to the tenth Business Day following the applicable Valuation Date, then the party that is not the Calculation Agent may attempt to obtain Full Quotations from five or more Dealers and, if two or more Full Quotations are not available, a Weighted Average Quotation (or, if Indicative Quotations are applicable, three Indicative Quotations). If such party is able to obtain two or more Full Quotations or a Weighted Average Quotation (or, if Indicative Quotations are applicable, three Indicative Quotations) on the same Business Day within an additional five Business Days, the Calculation Agent shall use such Full Quotations or Weighted Average Quotation (or, if applicable, Indicative Quotations) to determine the Final Price in accordance with the specified Valuation Method. If such party is unable to obtain two or more Full Quotations, a Weighted Average Quotation (or, if Indicative Quotations are applicable, three Indicative Quotations) on the same Business Day within an additional five Business Days, the Quotations shall be deemed to be any Full Quotation obtained from a Dealer at the Valuation Time on such fifth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation, Undeliverable Loan Obligation, Undeliverable Participation or Unassignable Obligation (as applicable) obtained from Dealers at the Valuation Time on such fifth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day. If the Calculation Agent

is a third party and is unable to obtain two or more Full Quotations or a Weighted Average Quotation (or, if Indicative Quotations are applicable, three Indicative Quotations) on the same Business Day on or prior to the tenth Business Day following the applicable Valuation Date, Buyer and Seller each may attempt to obtain Full Quotations from five or more Dealers and, if two or more Full Quotations are not available, a Weighted Average Quotation (or, if Indicative Quotations are applicable, three Indicative Quotations). (iii) The Calculation Agent shall determine, after consultation with the parties, based on the then current market practice in the market of the relevant Undeliverable Obligation, Undeliverable Loan Obligation, Undeliverable Participation or Unassignable Obligation, whether such Quotations shall include or exclude accrued but unpaid interest. All Quotations shall be obtained in accordance with this specification or determination.

(iv) If any Quotation obtained with respect to an Accreting Obligation is expressed as a percentage of the amount payable in respect of such obligation at maturity, such Quotation will instead be expressed as a percentage of the outstanding principal balance (as defined in Section 8.7(a)(i)) for purposes of determining the Final Price.

(l) "Indicative Quotation" shall mean, in accordance with the Quotation Method, each quotation obtained from a Dealer at the Valuation Time for (to the extent reasonably practicable) an amount of the Undeliverable Obligation equal to the Quotation Amount, which reflects such Dealer's reasonable assessment of the price of such Undeliverable Obligation based on such factors as such Dealer may consider relevant, which may include historical prices and recovery rates.

(m) Indicative Quotations shall be applicable under this Section 9.8 only in the event that the Partial Cash Settlement Terms become applicable to a Credit Derivative Transaction due to the occurrence of an event giving rise to an impossibility or illegality under Section 9.3.

Section 9.9. Buy-in of Bonds Not Delivered. At any time after the date that is five Business Days after the Physical Settlement Date, if Buyer has not Delivered any Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable that are Bonds, Seller may exercise a right to close out all or a portion of the Credit Derivative Transaction by the purchase of such Bonds under the terms of this Section 9.9 (a "buy-in"), unless such failure to Deliver is due to an event described in Section 9.3 (in which case Section 9.3 shall apply). Seller will provide Buyer two or more Business Days' notice (which may be in writing (including by facsimile and/or email) and/or

by telephone and may be provided prior to the expiration of the five Business Day period after the Physical Settlement Date) of its intention to buy-in (a "Buy-in Notice"), specifying the date of the anticipated buy-in (the "Buy-in Date"), the Bonds to be subject to the buy-in (to the extent not Delivered prior to the Buy-in Date, the "Relevant Bonds") and the outstanding principal balance thereof sought to be bought-in.

On the Buy-in Date, Seller shall attempt to obtain from five or more Dealers firm quotations for the sale ("Buy-in Offers") of the specified outstanding principal balance of the Relevant Bonds. The lowest Buy-in Offer or, if Seller obtains only one Buy-in Offer, such Buy-in Offer, for the outstanding principal balance of the Relevant Bonds shall be the "Buy-in Price". If Seller is unable to obtain at least one Buy-in Offer from such Dealers on the relevant Buy-in Date for the specified outstanding principal balance of the Relevant Bonds, Seller will attempt to obtain Buy-in Offers for all or a portion of the specified outstanding principal balance of the Relevant Bonds from five or more Dealers on each Business Day following the Buy-in Date until the earlier of (i) the fourth Business Day (inclusive) following such Buy-in Date and (ii) the date a Buy-in Price or Prices are determined for all of the specified outstanding principal balance of the Relevant Bonds (such period commencing on the Buy-in Date, the "Buy-in Period"). Seller will conduct the buy-in in a commercially reasonable manner and in accordance with the procedures set forth herein.

Buyer's right to Deliver the specified outstanding principal balance of the Relevant Bonds shall be suspended only during the Buy-in Period and shall recommence on the first Business Day following the end of the Buy-in Period to the extent Seller has not determined a Buy-in Price or Prices for the specified outstanding principal balance of the Relevant Bonds. Seller shall commit to purchase such principal balance of the Relevant Bonds at the applicable Buy-in Price or Prices. Thereafter, to the extent a Buy-in Price has not been determined during a Buy-in Period with respect to all of the specified outstanding principal balance of the Relevant Bonds, on or at any time after the sixth Business Day after such Buy-in Period, Seller may give another Buy-in Notice for the purpose of commencing another Buy-in Period for the Relevant Bonds in accordance with the procedures set forth herein. This process may be repeated until the final settlement of the Credit Derivative Transaction.

On the date a Buy-in Price is determined (or as soon as practicable thereafter), Seller will provide notice (which may be in writing (including by facsimile and/or email) and/or by telephone) of the outstanding principal balance of the Relevant Bonds for which Buy-in Prices were determined and the Buy-in Price or Prices therefor. On the third Business Day following such notice, Buyer will be deemed to have Delivered an outstanding principal balance of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable for which a Buy-in Price was determined and Seller will pay to Buyer that portion of the Physical Settlement Amount that corresponds to such portion of the Deliverable Obligations, reduced (but not below zero) by the Buy-in Price multiplied by the corresponding outstanding principal balance of the Relevant Bonds for which a Buy-in Price was determined, plus any reasonable brokerage costs incurred by Seller in connection with any purchases by it of the Relevant Bonds as part of the buy-in.

Notices relating to buy-ins shall be subject to the requirements regarding notices set forth in Section 1.10. Unless otherwise agreed by Buyer and Seller, this Section 9.9 shall replace any otherwise applicable buy-in rules.

Section 9.10. Alternative Procedures Relating to Loans Not Delivered. If Buyer has not Delivered any Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable that are Loans on or prior to the date that is five Business Days after the Physical Settlement Date (the "Alternative Procedure Start Date"), the following provisions shall apply unless (i) Reference Obligations Only has been specified as the Deliverable Obligation Category in the

related Confirmation, (ii) in the case of a Consent Required Loan, "Partial Cash Settlement of Consent Required Loans Applicable" is specified in the related Confirmation (in which case Section 9.4 shall apply), (iii) in the case of an Assignable Loan, "Partial Cash Settlement of Assignable Loans Applicable" is specified in the related Confirmation (in which case Section 9.5 shall apply), (iv) in the case of a Direct Loan Participation, "Partial Cash Settlement of Participations Applicable" is specified in the related Confirmation (in which case Section 9.6 shall apply) or (v) in any case, such failure to Deliver is due to an event described in Section 9.3 (in which case Section 9.3 shall apply):

(a) In the event that the Buyer has failed to obtain the requisite consents to Deliver a Loan specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable and has provided a certificate signed by a Managing Director (or other substantively equivalent title) of the Buyer, which shall certify that Buyer has used reasonable efforts to obtain such consents, at any time following the Alternative Procedure Start Date, Buyer may Deliver, in lieu of all or part of such Loan, any, subject to Section 2.32 or 2.33, Bond that is Transferable and Not Bearer or Loan that is Assignable, in either case selected by Buyer and having on both the Physical Settlement Date and the Delivery Date each of the Deliverable Obligation Characteristics (other than Consent Required Loan or Direct Loan Participation), if any, specified in the related Confirmation and otherwise satisfying the requirements to constitute a Deliverable Obligation (and such instrument shall be deemed specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable).

(b) At any time after the fifteenth Business Day following the Alternative Procedure Start Date, to the extent that there still remains to be Delivered any Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable that are Loans and Buyer has not Delivered any Bond or Loan in lieu thereof under Section 9.10(a), Seller may require Buyer to Deliver, in lieu of all or part of a Loan specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, any, subject to Section 2.32 or 2.33, Bond that is Transferable and Not Bearer or Loan that is Assignable, in either case selected by Seller and having on both the Physical Settlement Date and the Delivery Date each of the Deliverable Obligation Characteristics (other than Consent Required Loan or Direct Loan Participation), if any, specified in the related Confirmation and otherwise satisfying the requirements to constitute a Deliverable Obligation (and such instrument shall be deemed specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable), so long as (i) Seller identifies a holder (other than Seller or an Affiliate of Seller) of the selected instrument that is ready, willing and able to Deliver such instrument to Buyer at a price (expressed as a percentage) less than the Reference Price and (ii) such instrument may be further Delivered by Buyer to Seller without the consent of any person being required.

NOVATION PROVISIONS

Section 10.1. Novation. Parties may document a Novation Transaction by specifying in a Novation Confirmation that the Novation Transaction is subject to and governed by the Novation Provisions set forth in this Article X and the provisions set forth in the Novation Agreement. "Novation Confirmation" means, with respect to a Novation Transaction, one or more documents and other confirming evidence exchanged between the Transferor, Transferee and Remaining Party or otherwise effective which, taken together, confirm or evidence all of the terms of a Novation Transaction. A form of Novation Confirmation is set forth in Exhibit F.

Section 10.2. Novation Transaction. "Novation Transaction" means a transaction in which a Transferor transfers by novation to a Transferee, in which a Transferee accepts the transfer by novation of, and in which the Remaining Party consents to such transfer by novation and acceptance thereof, all of the rights, liabilities, duties and obligations of a Transferor with respect to a Remaining Party under and in respect of the Novated Amount of a Credit Derivative Transaction.

Section 10.3. Transferor. "Transferor" means the party which transfers by novation to a Transferee all of its rights, liabilities, duties and obligations with respect to a Remaining Party under and in respect of the Novated Amount of a Credit Derivative Transaction.

Section 10.5. Remaining Party. "Remaining Party" means the party which consents to the Transferor's transfer by novation and the acceptance thereof by the Transferee of all of the Transferor's rights, liabilities, duties and obligations with respect to such party under and in respect of the Novated Amount of a Credit Derivative Transaction.

Section 10.6. Old Transaction. "Old Transaction" means the Credit Derivative Transaction between the Transferor and the Remaining Party that is the subject of the novation from the Transferor to the Transferee.

Section 10.8. Old Agreement. "Old Agreement" means the ISDA Master Agreement, if any, between the Transferor and the Remaining Party to which the Old Transaction was subject.

Section 10.9. New Agreement. "New Agreement" means the ISDA Master Agreement between the Transferee and the Remaining Party that governs the relationship between the parties with respect to the New Transaction. If the Transferee and the Remaining Party have not yet executed an ISDA Master Agreement, the following shall be deemed to be included in the Novation Confirmation: "This Novation Confirmation evidences a complete and binding agreement between Transferee and the Remaining Party as to the terms of the New Transaction to which this Novation Confirmation relates. In addition, the Transferee and the Remaining Party agree to use all reasonable efforts promptly to negotiate, execute and deliver an agreement in the form of an ISDA Master Agreement, with such modifications as

the Transferee and the Remaining Party will in good faith agree. Upon the execution by the Transferee and the Remaining Party of such an agreement, this Novation Confirmation will supplement, form part of, and be subject to that agreement. All provisions contained in or incorporated by reference in that agreement upon its execution will govern this Novation Confirmation except as expressly modified herein. Until the Transferee and the Remaining Party execute and deliver that agreement, this Novation Confirmation, together with all other documents referring to an ISDA Master Agreement (each a "Confirmation") confirming transactions (each a "Transaction") entered into between the Transferee and the Remaining Party (notwithstanding anything to the contrary in a Confirmation), shall supplement, form a part of, and be subject to, an agreement in the form of the 1992 ISDA Master Agreement (Multicurrency — Cross Border) if any Confirmation dated prior to the date of the Novation Confirmation refers to that ISDA Master Agreement and otherwise the 2002 ISDA Master Agreement as if the Transferee and the Remaining Party had executed an agreement in such form (but without any Schedule except for the election of the governing law specified in this Novation Confirmation as the governing law and a Termination Currency of euro, if the Novation Confirmation is expressed to be governed by English law, or United States Dollars, if the Novation Confirmation is expressed to be governed by the laws of the State of New York) on the Trade Date of the first such Transaction between the Transferee and the Remaining Party. In the event of any inconsistency between the provisions of that agreement and this Novation Confirmation, this Novation Confirmation will prevail for the purpose of this Novation Transaction."

Section 10.10. ISDA Master Agreement. "ISDA Master Agreement" means either the 1992 ISDA Master Agreement (Multicurrency — Cross Border) or the 2002 ISDA Master Agreement, as applicable.

Section 10.13. Novation Agreement. By exchanging a Novation Confirmation, the Transferor, the Transferee and the Remaining Party will be deemed to have entered into a Novation Agreement (the "Novation Agreement") as set forth in Exhibit E, as supplemented by the details and information set forth in the Novation Confirmation and this Article X.

Dear _____:

The purpose of this [letter] (this "Confirmation") is to confirm the terms and conditions of the Credit Derivative Transaction entered into between us on the Trade Date specified below (the "Transaction"). This Confirmation constitutes a "Confirmation" as referred to in the ISDA Master Agreement specified below.

The definitions and provisions contained in the 2003 ISDA Credit Derivatives Definitions (the "Credit Derivatives Definitions"), as published by the International Swaps and Derivatives Association, Inc., are incorporated into this Confirmation. In the event of any inconsistency between the Credit Derivatives Definitions and this Confirmation, this Confirmation will govern.

[This Confirmation supplements, forms a part of, and is subject to, the ISDA Master Agreement dated as of [date], as amended and supplemented from time to time (the "Agreement"), between you and us. All provisions contained in the Agreement govern this Confirmation except as expressly modified below.]¹

THE FOOTNOTES TO THIS CONFIRMATION ARE PROVIDED FOR CLARIFICATION ONLY AND DO NOT CONSTITUTE ADVICE AS TO THE STRUCTURING OR DOCUMENTATION OF A CREDIT DERIVATIVE TRANSACTION.

ISDA has not undertaken to review all applicable laws and regulations of any jurisdiction in which the Credit Derivatives Definitions may be used. Therefore, parties are advised to consider the application of any relevant jurisdiction's regulatory, tax, accounting, exchange or other requirements that may exist in connection with the entering into and documenting of a privately negotiated credit derivative transaction.

Upon the execution by you and us of such an agreement, this Confirmation will supplement, form part of, and be subject to that agreement. All provisions contained in or incorporated by reference in that agreement upon its execution will govern this Confirmation except as expressly modified below. Until we execute and deliver that agreement, this Confirmation, together with all other documents referring to an ISDA Master Agreement (each a "Confirmation") confirming

¹⁴ If Notice of Publicly Available Information is intended to be a Condition to Settlement, the parties should include a reference to it here.

¹⁵ If Notice of Publicly Available Information has been selected by the parties and a Public Source is not specified, the Credit Derivatives Definitions provide that the Public Sources will be Bloomberg Service, Dow Jones Telerate Service, Reuter Monitor Money Rates Services, Dow Jones News Wire, Wall Street Journal, New York Times, Nihon Keizai Shinbun, Asahi Shinbun, Yomiuri Shinbun, Financial Times, La Tribune, Les Echos and The Australian Financial Review (and successor publications), the main source(s) of business news in the jurisdiction in which the Reference Entity is organized and any other internationally recognized published or electronically displayed news sources.

This should be distinguished from the Partial Cash Settlement of Consent Required Loans, Partial Cash Settlement of Assignable Loans and Partial Cash Settlement of Participations provisions, which are elective. NOVATION AGREEMENT

Dated as of the Novation Date (as set forth in the Novation Confirmation) among the Remaining Party, the Transferor and the Transferee (in each case as defined in the Novation Confirmation).

This Novation Agreement is subject to, and hereby incorporates by reference, the Novation Provisions (the "Novation Provisions") contained in Article X of the 2003 ISDA Credit Derivatives Definitions (the "Definitions"), and any capitalized term not otherwise defined herein shall have the meaning assigned to such term in the Definitions and the Novation Provisions. From time to time parties may enter into Novation Transactions by exchanging a Novation Confirmation. Each such Novation Confirmation shall be deemed to form part of this Novation Agreement.

With effect from and including the Novation Date the Transferor wishes to transfer by novation to the Transferee, and the Transferee wishes to accept the transfer by novation of, and the Remaining Party wishes to consent to such transfer by novation and acceptance thereof of, all the rights, liabilities, duties and obligations of the Transferor with respect to the Remaining Party under and in respect of the Novated Amount of the Old Transaction, with the effect that the Remaining Party and the Transferee enter into a new transaction (a "New Transaction") between them having economic terms (excluding collateral and other credit support arrangements and subject to Section 2(c) below) identical to those of the Old Transaction to the extent of the Novated Amount, as more particularly described below.

The Remaining Party wishes to accept the Transferee as its sole counterparty with respect to the New Transaction.

The Transferor and the Remaining Party wish to have released and discharged, as a result and to the extent of the transfer described above, their respective obligations under and in respect of the Old Transaction.

Accordingly, the parties agree as follows: ---

1. Definitions.

Terms defined in the 2002 ISDA Master Agreement (Multicurrency-Cross Border) as published by the International Swaps and Derivatives Association, Inc. (the "ISDA Master Agreement") shall have the meaning as used in such ISDA Master Agreement, unless otherwise provided herein.

2. Transfer, Release, Discharge and Undertakings.

With effect from and including the Novation Date and in consideration of the mutual representations, warranties and covenants contained in this Novation Agreement and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged by each of the parties):

- (a) the Remaining Party and the Transferor are each released and discharged from further obligations to each other with respect to the Novated Amount of the Old Transaction and their respective rights against each other thereunder are cancelled, provided that such release and discharge shall not affect any rights, liabilities or obligations of the Remaining Party or the Transferor with respect to (i) any portion of the Old Transaction in excess of the Novated Amount and (ii) payments or other obligations due and payable or due to be performed prior to the Novation Date, and all such payments and obligations shall be paid or performed by the Remaining Party or the Transferor in accordance with the terms of the Old Transaction;
- (b) in respect of the New Transaction, the Remaining Party and the Transferee each undertake liabilities and obligations towards the other and acquire rights against each other identical in their terms to the economic terms (excluding collateral and other credit support arrangements and subject to Section 2(c) below) of the Old Transaction, to the extent of the Novated Amount, including any rights in respect of Credit Events occurring on or prior to the Novation Date (and, for the avoidance of doubt, as if the Transferee were the Transferor and with the Remaining Party remaining the Remaining Party, save for any rights, liabilities or obligations of the Remaining Party or the Transferor with respect to payments or other obligations due and payable or due to be performed prior to the Novation Date);
- (c) the New Transaction shall be governed by and form part of the New Agreement and the relevant Old Confirmation which, in conjunction and as deemed modified to be consistent with this Novation Agreement, shall be deemed to be a Confirmation between the Remaining Party and the Transferee; and
- (d) any fees payable by the Transferor or the Transferee in connection with the transfer by novation hereunder shall be subject to a separate agreement between such parties.

3. Representations and Warranties.

- (a) On the Novation Date:
 - (i) Each of the parties makes to each of the other parties those representations and warranties set forth in Section 3(a) of the ISDA Master Agreement with references in such Section to "this Agreement" or "any Credit Support Document" being deemed references to this Novation Agreement alone (including, for the avoidance of doubt, the relevant Novation Confirmation).
 - (ii) The Remaining Party and the Transferor each makes to the other, and the Remaining Party and the Transferee each makes to the other, the representation set forth in Section 3(b) of the ISDA Master Agreement, in each case with respect to the Old Agreement or the New Agreement, as the case may be, and taking into account the parties entering into and performing their obligations under this Novation Agreement.
 - (iii) Each of the Transferor and the Remaining Party represents and warrants to each other and to the Transferee that:

- (A) it has made no prior transfer (whether by way of security or otherwise) of any interest or obligation in respect of the Novated Amount of the Old Transaction;
 - (B) as of the Novation Date, all obligations of the Transferor and the Remaining Party under the Old Transaction required to be performed prior to the Novation Date have been fulfilled;
 - (C) neither the Transferor nor the Remaining Party has Delivered any Deliverable Obligations or made any payments in connection with the Settlement Method applicable to the Old Transaction; and
 - (D) unless otherwise specified in the Novation Confirmation, no Credit Event Notice, Notice of Publicly Available Information or Notice of Physical Settlement has been delivered by or to the Transferor or the Remaining Party.
- (iv) Each of the Transferor, the Remaining Party and the Transferee represent and warrant to each other that neither the other parties nor their respective Affiliates have made, as of the Novation Date, any representation whatsoever with respect to the Reference Entity, any Reference Obligation, any Obligation, any Deliverable Obligation, any Underlying Obligor or any Underlying Obligation on which it is relying or is entitled to rely.

4. Counterparts.

This Novation Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.

5. Amendments.

No amendment, modification or waiver in respect of this Novation Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.

6. (a) Governing Law.

This Novation Agreement will be governed by and construed in accordance with the laws specified in the Novation Confirmation.

(b) Jurisdiction.

The terms of Section 13(b) of the ISDA Master Agreement shall apply to this Novation Agreement with references in such Section to "this Agreement" being deemed references to this Novation Agreement alone.

This Novation Confirmation is subject to the provisions set forth in the Novation Agreement attached as Exhibit E to the 2003 ISDA Credit Derivatives Definitions.
